What Happened This Week?

Good Morning Spartan Parents!

I hope you are enjoying mid winter break! We will return to school on February 14th, to Valentine's Day Parties! I am sure that all teachers have sent out correspondence regarding their parties. If you have missed that info please reach out to your students' teachers.

We will have a no charge dress down day of pink, red or white on Tuesday.

Due to the shortened week we have not had a chance to discuss our Spartan of the Week. That will return next week.

February's Virtue is Hope

Every month we will be looking at virtue as a whole school. This month our students added Hope to our list of virtues. Hope is a little difficult to explain to students. It isn't about hoping for a puppy or getting a good grade on a test. Hope is defined as "the theological virtue by which we desire the kingdom of heaven and eternal life as our happiness, placing our trust in Christ's promises and relying not on our own strength, but on the help of the grace of the Holy Spirit" (CCC 1817). We are working to strengthen our hope in God by using the fruits of the spirit.
