WEEK 5 SEPTEMBER 17TH

60 YEARS OF GROWING TOGETHER IN FAITH AND KNOWLEDGE

WHAT'S HAPPENING?

Another great week at St. Germaine! We had a beautiful prayer service in remembrance of 9/11, there were videos and pictures posted on Face Book, I hope you were able to see them. Thank you to Mrs. Grammatico and the eighth graders for their hard work.

From the sounds of things in the office it might be a record breaking sale for mums and Morley this year! Remember all order forms are due in the office by Tuesday the 19th. Helpers are going to be needed to sort mums when the truck arrives. Stay tuned for information on this volunteer activity.

As a reminder we do not have school on Monday, September 18th. Teachers have an in service.

Please see attached flyers at the bottom from Men's Club for Horse Racing, Trivia Night sponsored by the OLOH choir and a Regina bball clinic.

PARKING LOT PROTOCOL

I hate writing about the parking lot in my newsletter because I feel that we are all grown ups and should know proper parking lot etiquette, but yet again I have received numerous emails about parking lot problems.

Parking lots have moving cars in them and moving children. We all need to do our part to make sure that the two never meet. That means making sure children aren't running through a

parking lot unaccompanied and drivers are waiting until all children are safe before backing out.

In the Activity Center (aka gym) parking lot there is one entrance and one exit. To quote a great movie from the 80s, (Mr. Mom) you enter from the north (closest to the electronic sign) and exit from the south (closest to the charity bin). If you do not, it causes a very large hiccup and potential accident.

Pretty please let this be the last time I have to write this in an email by all following the guidelines to help keep the kiddos safe and to allow the traffic to flow freely.

VIRTUS

As a reminder the AOD has mandated that all people who come in contact with students during the school year take this course. Mrs. Latessa has already sent information taking this online class. This is for every field trip, class party, volunteer, event, coach, etc. This must be done if you took Protecting God's Children prior to 2020. There is no gray area on this, there is a deadline if you don't meet it you cannot participate in any event with children present. Please contact Mrs. Latessa regarding the information you need to log in.

PLEASE JOIN US FOR AN ICE CREAM SOCIAL SEPTEMBER 22

Please join us in the Activity Center on Friday the 22nd from 5:30-7 for some Wally's frozen custard and meet some new families!

HALF DAY 10/31 NO SACC- ALICE TRAINING

On Halloween you will notice that we have a half day. In our ongoing efforts to keep our school community safe, all employees will be attending ALICE training in the afternoon of Halloween. It is imperative that all adults on our campus are aware of how to identify and prepare for an occasion. It is something we don't like to think about, but in this day and age we have to. In order for all staff and faculty to be able to attend we will not be able to offer SACC that afternoon. While I know as a working parent myself this is an inconvenience, it is a necessity to help educate ourselves in the best way to keep our campus safe. Thank you for your understanding and cooperation.
