Children are allowed to dress down in any color of the rainbow to help support this wonderful cause. Minimum donation is \$3 but you can donate more should you choose.

## VIRTUS

As a reminder the AOD has mandated that all people who come in contact with students during the school year take this course. Mrs. Latessa has already sent information taking this online class. This is for every field trip, class party, volunteer, event, coach, etc. This must be done if you took Protecting God's Children prior to 2020. There is no gray area on this, there is

a deadline if you don't meet it you cannot participate in any event with children present. Please contact Mrs. Latessa regarding the information you need to log in.

**HALF DAY 10/31 NO SACC- ALICE TRAINING**

On Halloween you will notice that we have a half day. In our ongoing efforts to keep our school community safe, all employees will be attending ALICE training in the afternoon of Halloween. It is imperative that all adults on our campus are aware of how to identify and prepare for an occasion. It is something we don't like to think about, but in this day and age we have to. In order for all staff and faculty to be able to attend we will not be able to offer SACC that afternoon. While I know as a working parent myself this is an inconvenience, it is a necessity to help educate ourselves in the best way to keep our campus safe. Thank you for your understanding and cooperation.
