WEEK 13 NOVEMBER 10TH

60 YEARS OF GROWING TOGETHER IN FAITH AND KNOWLEDGE

WHAT'S HAPPENING?

Hello families,

I hope you are all adjusting to Daylight Savings better than I! I have no idea why it is so rough on me, but it is!

It is nice to see so many families at conferences. Overall I am so proud of how hard our students are working and the effort they put into their studies this quarter. I hope that they continue to do their personal best!

Father Joe Barron, our new moderator for the Parish of Families will be presiding over our school Mass on Tuesdays. We have adjusted our Mass schedule to be 8:15 instead of 8:30 and switched to an all school Mass. We will not be having a Wednesday morning Mass. Fr. Joe has graciously agreed to this switch and in doing so the students' schedules were minor. Father Joe hails from Minnesota and has been over at SIJ as their pastor for the last 3 months. I have met with Father Joe on a few occasions now and he is kind, receptive and wants to do what's best for the students.

Please stop by and visit our Craft Show on Saturday, while you are there visit the 8th graders bake sale and help support them as they raise funds for their 8th grade trip!

Also we are updating the entrance of the Activity Center, this includes some new technology. Because the technology is expensive there is to be no sports equipment used outside the Activity Center. Please remind your children not to dribble, kick or throw balls in this area.
