SPARTAN OF THE WEEK

Congratulations to fifth grader, Grayson Suchota. Grayson was actually nominated by not one, but two teachers! Ms. Messel and Mr. Merritt. Ms. Messel states Grayson is a wonderful friend to all. He is always there to help out a fellow student or even a teacher with whatever needs to be done. He is wonderful with our younger students. He takes the time to get down to their level and truly have a great conversation with them. I know others will agree we love having him in our school! Mr. Merritt said, I'm choosing Grayson as my nomination for student of the week. Grayson has been working hard on his classwork and being inclusive to his classmates. He has been making sure no student is left out during group work. He makes sure to ask people he sees working by themselves if they want to join him. Thank you Grayson for thinking of others!
