### THIS WEEK'S PRAYER

O God, who in the glorious Transfiguration of your Only Begotten Son confirmed the mysteries of faith by the witness of the Fathers and wonderfully prefigured our full adoption to sonship, grant, we pray, to your servants, that, listening to the voice of your beloved Son, we may merit to become co-heirs with him.

The Transfiguration was the moment when the disciples were shown the divinity of Jesus on the Holy Mountain. The scene is reminiscent of Moses' encounter with God on Sinai, when his face, too, shone like the sun, reflecting back God's glory.

Seeing Christ in all his divine glory, Peter attempts to 'freeze' the moment. The awesome "moment" of revelation cannot, however, last, and Jesus brings his disciples back to the dire realities before them with the reminder that his death must precede the revelation of his glory at the Resurrection.

Only until they have experienced the limitless generosity of Christ's death, and the glory of his Resurrection, the disciples are not ready to spread the message of Jesus. Although we can often get glimpses here and there of the glory of God's power, it can only be "held" by us if we have experienced and embraced in our lives the reality of the Crucified Christ and his Resurrection from the dead.
