Second Collections January 14/15

Today we take up the collection for the Catholic Communication Campaign (CCC). Your support helps CCC engage and build Catholic communities in the United States and around the world using the internet, television, radio, and print media. Half the funds we collect remain here in the Diocese of Wilmington to support local efforts. Be a part of this campaign to spread the Gospel message.

To learn more, visit www.usccb.org/ccg.

Today we also take up the National Collection for The Catholic University of America. Catholic University is a national research university with over 5,700 undergraduate and graduate students in more than 250 academic programs in the heart of Washington, D.C. By giving to the collection, you are supporting future Catholic leaders, both religious and lay, who are being formed by an exceptional, faith-rooted education and the University's various research and training initiatives that support dioceses and parishes in responding to the most pressing needs of their faithful.
