

# Middle School *Summer Reading* Assignment

Sacred Heart Middle School students should read as many self-selected books as possible this summer. Students are encouraged to spend time reading for pleasure, to acquire new knowledge, or to gather background information to participate in the “2023-2024 Book Trivia Game”.

A Summer Assignment Google Classroom has been created to organize the summer reading assignment as well as to provide resources to assist readers in selecting books based on personal interest and values.

Parents and students are encouraged to view the websites posted in the Google Classroom together to choose books to read over the summer.

Students may choose from six different Reading Response Boards. **One QUESTION from a response board should be completed for each book read.** Students are required to read four books this summer. Books should have at least 100 pages.

Summer Reading Response Boards will be recorded as the first test grade of the new school year.

- 4 questions = 100%
- 3 questions = 75%
- 2 questions = 50%
- 1 question = 25%
- 0 questions = 0%
