Touching Safety

Opt-Out only if you DO NOT want your child to participate

Touching Safety is a diocesan program which serves in our ongoing effort to help create and maintain a safe environment for children and to protect all children from sexual abuse. All lessons are founded on the principles of appropriate relationship boundaries in the broader context of Christian values. They are age-appropriate and help children and young people develop the vocabulary and boundary distinctions necessary to empower them to begin to recognize inappropriate behavior by others. Please sign below **ONLY IF YOU DO NOT** want your child to participate in the *Touching Safety* program.

PARENTS' COVENANT AGREEMENT

RELIGIOUS EDUCATION PROGRAM 2023 - 2024

PARENTS: On the day of your child's Baptism, you were asked to answer the following question: **You are accepting the responsibility of training your child in the practice of the faith. It will be your duty to bring your child up to keep God's commandments as Christ taught us, by loving God and neighbor. Do you clearly understand what you are undertaking?**

With this in mind, parents are the primary catechists in their children's lives. Therefore, it is reasonable to expect that you will agree to the following:

- We will make every effort to faithfully attend Mass on Sunday with our child.
- We will make it a priority to see that our child attends class faithfully each week.
- We will foster our home church by praying together each day. We will also share our faith by reading Scripture, doing good works, discussing the teachings of our faith and the importance of making good moral decisions.
- We will work with our child at home to review and complete any assignment given by his/her teacher. If my child's textbook is brought home we will be sure that he/she brings it to class at the next session.
- We will support our volunteer teachers entrusted with weekly religious instruction.
- We will attend all meetings listed on our calendar that require parental presence.
- We will make it a priority that our child be present faithfully at all classes and activities regarding Sacramental preparation for First Holy Communion or Confirmation.
