Enriching and Broadening CatholicCharitiesand Living Justice Ministries

As missionary disciples we meet people where they are at and embrace their hearts. The Catholic Charities helps provide many social service programs to help people with such things as mental health issues, adoption services, financial health services, immigration and refugee program and housing issues. They address gaps in service and respond to those among us that others won't serve. The one by One campaign will renew our commitment to people struggling most in life by:

- Providing addiction outreach and services and adding more alcohol and drug abuse counselors
- Addressing issues of homelessness
- Extending full and part-time social services in more communities throughout the Diocese
- Engaging parishes and community partners in strategies to respond to community and individual needs.

Your support not only broadens social services and living justice programs, it ensures the future of our parishes, enhances Catholic education and cares for our seminarians. To make your gift today contact the parish office, visit the one by One website at one.catholicfoundationgb.org or call Josh Diedrich toll-free at 877-500-3580, ext. 8197.

Home Missions - Our Own Needs Collection - June 8 & 9
Strengthening the Church at Home

The four major beneficiaries of this collection are:

The Catholic Communications Campaign: Connects people with Christ through media programming and access on mobile devices to promote Gospel values.

The Catholic Home Missions Appeal: Assists 85 Home Mission dioceses in the U.S. to fund needs for pastoral services.

The Black & Native American Missions: Diocese of Green Bay gives a grant for outreach to Neopit and Keshena and service to Menominee Indian tribe.

The Catholic University of America: 100% of donations go to scholarships for students. Alumni include 12 living Cardinals, 1/3 of U.S. Bishops, and over 12,400 priests.

Look for envelopes in the pews next weekend.

Edge and Life Teen

**Middle & High School Religious Education
and Youth Ministry**

Thank you to the many people who stopped by the entrance/exit after Mass last weekend and donated (bought Stock) towards the 2019 mission trip to St. Louis! If you haven't been able to make your donation and would like to, you can mail in your donation to Corpus Christi (25 N. Elgin Ave). Please note on the check that it's for the Life Teen Mission Trip. We really appreciate your support!

We don't just need your financial support for the mission trips and we know that not everyone can afford to donate. This year, we are trying something a little new with our trip. We are asking for as many people to write a card to as many adults and students as possible that they will read while on the trip. These trips are truly life changing and knowing they have your support and prayers? That will help them to continue to live the faith and serve when they get home. They will always remember they are not alone on this journey of being a disciple of Christ. Please see the insert for a list of everyone attending. You can write to someone even if you don't know anyone! A simple card letting them know you are praying for them will really connect us to our parish communities in a deeper way! Please, no gifts, just cards (very hard to pack gifts).

Life Teen Mission Trip 2019

In just a few weeks, these adults and high school students will be boarding a bus to head to St. Louis to serve those in need. We thank you so much for your financial support but today, we are asking for your prayerful support as we get ready to go change lives while our lives will be greatly impacted as well. We leave on June 16th and would love for you to pray for us daily.

Mission trips are truly life changing. We have had students join service related fields (firefighting, nursing, and the Peace Corps just to name a few) because of their experience serving. To be honest, it's hard to come home from a mission trip and to continue living the faith with zeal. I (Sarah) believe that if our young people and adults attending know they are supported and loved, they will continue to push through when life gets tough. That's where I am looking for your help. **Will you take a few moments and write a card or cards for some of the participants?** If you know them, great! But even if you don't, your support and encouraging words **WILL** make a huge difference. I'd love for each participant to have a lot of cards to open!

I ask that you only write cards, no gifts. Please also sign your name and your parish so the participant knows who is praying/supporting them! It's kind of like a spiritual pen pal! ☺ All cards need to be to the Corpus Christi parish office by June 13th. Please write the name of the participant on the card envelope.

\$27 million gift to fund school building

Donation allows consolidation of two Notre Dame School campuses

BY SAM LUCERO | THE COMPASS

GREEN BAY — A local couple's financial gift will transform and secure the future of Catholic education on De Pere's east side. Jim and Miriam Mulva, members of St. Mary Parish in Ledgeview, announced May 14 a \$27 million gift to build a new Notre Dame School, as well as a parish hall at St. Francis Xavier Church.

"In our longstanding dedication to Catholic education and the De Pere community we so dearly love, we are pleased to make this gift to the St. Francis Xavier and St. Mary parishes, which own the buildings that house Notre Dame School," Miriam Mulva said in a press release announcing the donation.

Notre Dame School currently exists on two separate campuses, two blocks apart. The middle school campus, at 221 S. Wisconsin St., sits next to St. Francis Xavier Church. The elementary school campus resides on a one-block property at 100 S. Huron.

The new school will merge the two campuses into a three-story 87,000-square-foot, state-of-the-art building, serving students from early childhood through eighth

grade. It will be located on the elementary school property and built on space where the school parking lot and playground sit.

As part of the agreement to build a new school, St. Francis Xavier Parish, with the approval of the Diocese of Green Bay, is transferring property on which the middle school is located — as well as land on which the Father Tony Dolski Parish Center, St. Francis Xavier House and parking garages are located — to the De Pere Cultural Foundation.

The transferred property will be used as parking and landscaped areas for the Mulva Cultural

Center, a \$50 million art center overlooking the Fox River in De Pere's downtown district. The Mulvas announced construction of the cultural center on May 1. The De Pere Cultural Foundation was established to manage the development and operations of the Mulva Cultural Center.

In exchange for the church property, a new parish hall will be built to replace the Father Dolski center and the parish will have use of the cultural center parking area for church services.

FRANKLY FRANCIS

Dear Brothers and Sisters,

We have finally reached the seventh request in the "Our Father: "And lead us not into temptation" (Mt 6:13b).

With this expression, the one praying is not only asking not to be abandoned in times of temptation, but is also imploring to be delivered from evil. The original Greek verb is very powerful: it evokes the presence of the evil one who tends to grab hold of us and bite us (cf. 1 Pt 5:8) and from whom we ask God for deliverance. The Apostle Peter also says that the evil one, the devil, prowls around us like a roaring lion, to devour us, and we ask God to deliver us. With this twofold plea: "do not abandon us" and "deliver us," an essential characteristic of Christian prayer emerges. Jesus teaches his friends to place the invocation of the Father above all else, also and especially in moments in which the evil one makes his threatening presence felt.

Father Carr's Place 2B will hold Bridge Walk fundraiser June 1

BY JAY ALDERSON | FOR THE COMPASS

OSHKOSH — The fourth annual Bridge Walk sponsored by Father Carr's Place 2B is scheduled for June 1. The event is the signature fundraiser held to support the Place 2B's mission.

"The walk is designed to raise awareness of Father Carr's Place 2B," said executive director Bob Lang. "It's about bridging the community

and our supporters. It's about getting a lot of people together to celebrate the Place 2B."

The two- and four-mile walk options will go over scenic Lake Butte des Morts. Lang said the walk is a wonderful experience because the causeway has been developed with a walking path, artwork, historical markers and viewing spots.

The Place 2B was founded by the late Fr.

Martin Carr and serves a variety of needs for people throughout northeastern Wisconsin: housing for people in transition, a community food bank, a free health clinic, daily Masses, daily and holiday meals, family and community activities, mentoring and job-seeking skills, and volunteer opportunities.

5 THINGS YOU SHOULD KNOW

John the Baptist

PATRICIA KASTEN | THE COMPASS

- 1 June 24 is the birthday of John the Baptist, six months and one day before Christmas.
- 2 John's is one of three birthdays celebrated liturgically by the Catholic Church. The others are Christ's (Dec. 25) and Mary's (Sept. 8). (What has been called "the birthday of the church" is marked on Pentecost, June 9, this year.)
- 3 John's parents were Zechariah, a priest at the Temple, and Elizabeth, a relative of the Virgin Mary. She was also a "daughter of Aaron" — meaning her father was a priest.
- 4 Tradition, dating to the fourth century, says John was born in Ein Karem, a village outside Jerusalem. It was about 90 miles from Nazareth.
- 5 The births of John and Jesus were announced by the Archangel Gabriel (Lk 1:5-38).

Open yourself to friendship with Jesus

Dear brothers and sisters in Christ:

As I continue my monthly series on discipleship, I want to explore in more depth this idea of Jesus as our friend.

Last month, I asked you to reflect on the ways that Jesus has been present in your life. When God enters into our lives, he does so out of a desire for our friendship, but sometimes it can be a challenge to understand what it means to have a friendship with God. In this column, I want to share one example of a person who had a deep friendship with Jesus — St. Teresa of Calcutta — in the hopes that we might gain some insight into how to grow in friendship with Jesus ourselves.

Mother Teresa had a complete interior conversion in her younger years and even had some extraordinary experiences of Jesus in her personal prayer as a young religious sister. Even though she had these experiences, Mother Teresa began to feel that God was inviting her to something even deeper. While on a train in India, she saw people discarded and abandoned by the road, left alone to die, and it moved her very deeply. She realized she was called to begin an order whose purpose would be to care for the "poorest of the poor," and she answered this call by starting the Missionaries of Charity.

BISHOP'S CORNER

Bishop David Ricken

Mother Teresa's experience teaches us that friendship with Jesus requires us to be attentive. It might have been easy for someone who had already answered the call to religious life to assume that God wanted nothing more with her. But Mother Teresa continued listening and, as a result, discovered that God was calling her to a vocation that would change the world. So, if we are going to have a friendship with Jesus, we need to take time each day to listen to him.

Through her friendship with Jesus, Mother Teresa began to see Jesus present throughout the world. This was particularly true as she tended to the poor, discarded people, bathing them, taking them to one of her hospices, caring for their wounds and sores. As she looked into their grateful eyes, she could see the face of Jesus himself. Because of their close relationship, St. Teresa was able to recognize Jesus in those around her, especially in the eyes of the marginalized and forgotten ones.

Many of you who are reading this might think, "I've looked around and I haven't seen Jesus in the people around me." If so, I would encourage you to spend time in prayer with God and ask for the grace to more easily recognize Christ's presence in the world.

One of the challenges of using an example like Mother Teresa is that we might convince ourselves that we could never have that kind of friendship with God because we are not holy like she is.
