Enriching and Broadening Catholic Charities and Living Justice Ministries

Reinvigorate the Church's mission in our communities. As missionary disciples we meet people where they are at and embrace their hearts. Catholic Charities many social service programs help people with such things as mental health issues, adoption services, financial health services, immigration and refugee program and housing issues. They address gaps in service and respond to those among us that others won't serve. The *one by One* campaign will renew our commitment to people struggling most in life by:

- Providing addiction outreach and services and adding more alcohol and drug abuse counselors.
- Addressing issues of homelessness.
- Extending full and part-time social services in more communities throughout the Diocese.
- Engaging parishes and community partners in strategies to respond to community and individual needs.

Your support not only broadens social services and living justice programs, it ensures the future of our parishes, enhances Catholic education and cares for our seminarians. To make your gift today visit the *one by One* website at one.catholicfoundationgb.org or call Josh Diedrich toll-free at 877-500-3580, ext. 8197.
