Edge and Life Teen**Middle & High School Religious Education and Youth Ministry**

Hello, It's Sarah Gavin here, youth minister of grades 6-12. I have been a youth minister for approx. 15 years. Never in my wildest imagination did I expect we would have to minister through a pandemic. I'm going to be honest with you: it's hard. Youth ministry is about building relationships and coming together to pray and learn about Jesus and His Church. When we went virtual last March, it was tough. Our worlds were turned upside down. And where are we now? Our COVID numbers are high; a lot of people are going into quarantine due to being exposed or being sick. Safety and health must be a priority when making decisions.

In fact, in a survey done by dosomething.org at the beginning of August, 72% of American teens were afraid of going back to school.

Through the challenges and unrest, through the uncertainty and fear...

God remains.

And I am here too. Your Core Team is here. We just have to be creative. So for the beginning of the year, we will begin ministry virtually. Parents of 6-12th graders, if this is news to you, PLEASE email me ASAP so we can get you connected. This virtual ministry is temporary until our numbers can go down and we aren't in a high activity risk. And when we do return, we will be gathering in small groups, 6-10 feet apart and masked.

I am sad that we have to start online. Usually this time of year is spent in the social hall setting up weird games and prayer experiences for 60+ teens. Usually I'm ordering 20 pizzas for our kick-off and getting so excited for another Edge and Life Teen year. BUT I am also so grateful for technology that allows us to stay connected. More than ever, our youth need us to show them the love of God.

Church, please pray for us. It is going to be a challenging year, but by God's grace and with the intercession of the Blessed Mother, God will move hearts!

Thank you for your continued support!

The Parish Connection

St. John Bosco School is shaping future leaders by providing academic excellence in a caring 4K-8 Catholic environment where God's gifts are nurtured and where faith is put into action.

St. John Bosco
Catholic School

Volume 9, Issue 4
October 2020

From the Principal

"The community . . . was of one heart and mind."

-Acts of the Apostles 4:32

It has been an absolute pleasure to see all the students back at SJB! Their energy and enthusiasm give us hope and reminds us what a gift it is to be working with young people. Even during times of challenge being entrusted with educating the 'next generation' is a blessing.

The students and parents that I spoke with the past couple of weeks are all in agreement that being face to face with them is the best. They want to be with their friends, want structure to their day and want to feel the joy of learning. I know the model we have here is well-defined, but it is for the safety of students and staff. I have had a couple of calls questioning what we have in place, know that we have put into place the best recommended practices we know. We are each responsible for one another and we need to understand that a choice an individual family makes could potentially impact our entire community. Please be strong and vigilant. Here are some guidelines for working with students as we navigate these waters together.

- Change any social gatherings to be outside, masked and socially distant or do not hold them.
- Weekend parties and gatherings should be avoided unless small, outside, masked and socially distant.

- Boredom and frustration will arise, but the instant answer at this time is not to put yourself or others at risk.

We need to manage ourselves so face to face learning can continue and our students can be successful. We can do this together.

Mrs. Dangler

Sully's Fundraiser

Sully's Produce on County C has graciously offered to sell gift certificates for their stand with the proceeds going to the 7th grade class. These certificates can be used at Sully's roadside stand to pick out pumpkins, gourds and cornstalks. This is a great way to help raise money for the DC class trip in May 2022. If interested, please call the school office at 743-4144. Sale ends October 16th.

Request for Veterans' Names

Since 2015, our students have been sending appreciation letters to Veterans for Veterans Day.

We are again requesting that if any of our parishioners have a family member who is a veteran, and wouldn't mind receiving a letter from our students, please contact our school office with their names and addresses. We appreciate your help with this community outreach project.

Outside Reading and Learning

Many teachers are taking advantage of the nice weather that we are experiencing and are taking our students outside to learn. Ms. Garlow's 2nd grade class enjoyed the new outside learning area.

7th graders took advantage of the nice weather for their Reading Hour.

They learned about air pressure, what

causes it, how to measure it, and how it changes with different altitude.

Grandparents/Grand Friends Week

This year we celebrated our Grandparents/ Grand Friends all week long. Grandparents/Grand Friends Week was celebrated from Monday September 14 through Friday September 18. During the week, students wrote letters letting their grandparents and grand friends know how appreciative they are to have special people in their lives.

Many Hands Make Light Work

It took many hours to get our school ready to open with COVID safety precautions and additions to our already, bustling learning environment. Here's to the outstanding group who helped along the way: Dr. Dennis and Bonnie Connolly donated money for new music chairs, music stands and gift cards to all of the teachers for their classrooms. The additions to the band room look awesome and provide additional comfort to the students when practicing and performing. Teachers really appreciated the additional supplies/supports they were able to purchase to begin their year. Thank you Dennis and Bonnie. Glen Pieschek evaluated, ordered and then installed the various parts of our windows so all of them could operate efficiently and effectively with fresh air from outside. Thank you Glen. Nicole Herbst has been actively engaged with the art curriculum helping the K-5 teachers to meet the benchmarks and standards for the students. Thank you Nicole. Collin Jeanquart procured, took the bark off and sanded/sealed the tops of the various stumps under our Maple trees for additional outdoor classroom space. Thank you Collin. Amy Fogarty, her family and Grandpa Dassler spread 30 yards of playground and landscaping mulch for a safe playground and beautiful landscaping. They also put together tri fold poly carbonate screens, placed distance markers in the hallway, hung pictures, cleaned carpeting, exterminated wasp nests and did other miscellaneous things. Thank you Amy, her family and Grandpa Dassler. Kristen Jeanquart did the imaginative and creative design work on the school banner and face masks for students and staff. Thank you Kristen. Karen Newbern designed and crafted the instrument masks middle school students are using on their instruments. Thank you Karen. To the Bosco Staff who continually creates and prepares instruction to meet the individual needs of our

students in a safe and healthy environment. Thank you Staff. To John Platchtka who generously donated \$20,000 for the equipment and materials necessary for individual instruction. Thank you John. Joe Paye who worked with his team outside of the work day to complete the installation of UV lights and germicidal air purifiers in the cabinet heaters in each classroom. Thank you Joe. It truly takes many hands to help raise our children in our current environment more than ever and the efforts of everyone are appreciated. Thank you for the gift of your resources, time and talents to make Bosco the very best.

Annual SJB Golf Outing

"A well-hit golf shot is a feeling that goes up the shaft, right through your hands and into your heart."

was held on Monday, September 14th, a beautiful day to walk the greens and be socially distant with friends. Dave Weber and his Golf team (Collin

Jeanquart, Greg Holub, Jim Stawicki, Bob Spude, and Laura Peterson) exemplified the word "creativity" and organized it keeping everyone safe. The team organized 115 golfers for the afternoon event with carts, hole challenges and comradery. The event was enjoyed by all and financially successful. Special thanks to the Golf Team, and volunteers: Amy Konop, Ellen Binard, Tina Stawicki, Amy Alberts, and Ruth Brendemuehl, and all the Hole and Challenge sponsors. In our constantly changing environment everyone adapted and made it a success. Thank you from everyone at St. John Bosco.

Mark your calendars for next year's Golf Outing on August 2, 2021.
