Patience and Hospitality

Mass Readings: Isaiah 40:1–5, 9–11 / 2 Peter 3:8–14 / Mark 1:1–8

Prepare the way with repentance

The Old and the New: At every Mass, the Old Testament and Gospel readings have an interior connection. Our weekly adventure is to discern and discover the shared message of these two parts of the Bible. In today's readings, the Prophet Isaiah describes a voice that cries out in the desert: "Prepare the way of the LORD." In the Gospel reading, Saint John the Baptist is presented within the context of the ancient oracles. Our Gospel writer Mark even cites the Isaiah passage as a lead-in to introducing us to John as the Baptist, who calls humanity to repentance. And while some at the time thought that perhaps Saint John was the Messiah, the Baptist himself pointed to someone else, telling us, "One mightier than I is coming after me."

Our Response: From the Old Testament and Gospel Readings this Sunday, we see a message that calls us to wait and prepare. The message is personified by John the Baptist, who has patiently waited, boldly proclaimed, and actively sought ways in which he could help make Israel ready for the imminent coming of the long-awaited Messiah. In the second reading, Saint Peter reminds us of the virtuous way in which we are to wait for the Lord. He calls us to "be eager to be found without spot or blemish." In particular, the chief apostle reminds us to be patient, as God has been patient with us. As we wait during this Advent season, how can we show greater patience in our lives?

PRAYER

"I will hear what God proclaims."

~ Psalm 85:9

Oh, Glory of Israel,
You call us to wait patiently for you.
You sent your messenger ahead of you.
Help us to prepare for your coming.
Bless us with deeper faith and patience,
through Christ our Lord. Amen.

FOR REFLECTION

We all need examples, which help us to know what to do and how to do it. In salvation history, God sent us Saint John the Baptist. How can we imitate his example in our lives? How can we continue his legacy of faithful and patient waiting for the Lord?

INSPIRATION FOR THE SEASON

Saint Nicholas of Myra

December 6

Saint Nicholas of Myra is fondly known in popular culture as “Saint Nick.” He is the historical figure upon whom, in part, the popular figure of Santa Claus is based. Nicholas lived in the late third/early fourth century. He was a bishop and sought to quietly help the poor, especially children, and he discreetly helped young women who needed financial support toward the costs of getting married. These actions are the basis of the custom of secretly placing candy in the shoes of children on his feast day. Nicholas left a strong legacy of patience, as he waited for the results of his work for the Lord, and of hospitality, as he tirelessly served the most vulnerable and forgotten in society. This Advent season, we ask Saint Nicholas to pray for us as we seek a greater spirit of patience and hospitality in our lives.

DAILY LIVING

“All guests who present themselves are to be welcomed as Christ, for he himself will say: I was a stranger and you welcomed me. ... Great care and concern are to be shown in receiving poor people and pilgrims, because in them more particularly Christ is received; our very awe of the rich guarantees them special respect.” ~ Saint Benedict

FAMILY FOCUS

The Second Sunday of Advent is devotionally known as “Saint John the Baptist Sunday,” since this particular day always reintroduces the life and witness of the famous prophet to each of us. We hear his story and honor this holy man, sent by God. Wearing camel’s hair and eating locusts and wild honey, the Baptist patiently waited for the coming of the Lord and zealously prepared his way. He called all humanity to repentance and conversion.

Today, as we light our second violet candle, we should recall this message of John the Baptist and think of the following:

- What areas of my life are keeping the Lord away?
- What do I need to change in my life to prepare the Lord’s way to my heart?
- How can I be more patient in my waiting for God? How can I show this patience to my neighbor?

CATECHISM CONNECTION

St. John the Baptist is the Lord’s immediate precursor or forerunner, sent to prepare his way. “Prophet of the Most High,” John surpasses all the prophets, of whom he is the last. He inaugurates the Gospel. ... Going before Jesus “in the spirit and power of Elijah,” John bears witness to Christ in his preaching, by his Baptism of conversion, and through his martyrdom.

— *Catechism of the Catholic Church*, 523

“Prepare the way of the Lord.”
— Mark 1:3

Light a Candle

Advent is one of the few Christian festivals that can be observed in the home as well as at church. In its association with Christmas, Advent is a natural time to involve children in activities at home that directly connect with worship at church. In the home an Advent wreath is often placed on the dining table and the candles lit at meals, with Scripture readings preceding the lighting of the candles, especially on Sunday. A new candle is lit each Sunday during the four weeks, and then the same candles are lit each meal during the week. In this context, it provides the opportunity for family devotion and prayer together, and helps teach the Faith to children, especially if they are involved in reading the daily Scriptures.

It is common in many homes to try to mark the beginning of Advent in other ways as well. Some families decorate the house for the beginning of Advent, or bake special cookies or treats, or simply begin to use table coverings for meals. An Advent Calendar is a way to keep children involved in the entire season. I encourage you to do the daily activities of the advent calendar sent home in the last Family Folder. All of the activities provide opportunities to teach children the significance of this sacred time, and to remind ourselves of it as well. My experience tells me that those who have suffered and still hope understand far more about God and about life than those who have not.

Maybe that is what hope is about: a way to live, not just to survive, but to live authentically amidst all the problems of life with a Faith that continues to see possibility when there is no present evidence of it, just because God is God. That is also the wonder of Advent.

Reconciliation

Grades 3-8 will be celebrating the sacrament of Reconciliation on Wednesday, December 9th. Thank you to Fr. Ryan Krueger, Fr. Tony Birdsall, Fr. Quinn Mann and Fr. Bob Stegmann for celebrating this important sacrament with our students. What a wonderful thing to celebrate in anticipation of Christ's birth.

Veteran's Day Letters

4K and Kindergarten colored flags and grades 1-5 wrote letters to send to our local Veterans. St. John Bosco School sent over 200 letters! This is an important project that the students look forward to every year. Thank you Veterans!

Advent Prayer Services

We will have our Advent Prayers on Monday, November 30th at 8:10am, Monday, December 7th at 10:45am, Monday, December 14th at 12:40pm, and Friday, December 18th at 2:45pm. These services will be taking place in the hallway of school for students and staff.

COVID Safety

Did you know that our Annual School Fund Drive supports three top priorities? This year one of our top priorities is General Operations, specifically COVID-related expenses. Your donation to the Annual School Fund Drive helps maintain the health and safety of our students and staff.

Plexiglass dividers have been added to the office and students' desks to keep students and staff safe and healthy. Numerous COVID-related adaptations have been made to school, including automated hand sanitizers in all the classrooms and throughout the building. In addition, all students and staff wear masks while in school.

Annual School Fund Drive

Your support of the Annual School Fund Drive allows us to upgrade outdated technology so that students receive a competitive education.

Middle schools each have their own laptop for classroom instruction and remote learning.

We are so fortunate to be able to have an iPad available for each one of our elementary students to use in the classroom or at home.

Thanks to technology, students are able to log in for online classes during periods of remote learning.

8th Grade Social Studies

During their Social Studies class, the 8th graders completed an Escape Room where they cracked codes to unlock more information about the Boston Tea Party!

Kindergarten Music

Mr. Newbern has been busy working with the students on different musical styles. Including learning how to play a tambourine. Kindergarteners had a blast playing these fun instruments.

8th Grade Science

After spending a couple weeks learning about the different components that make up an electrical circuit, eighth graders made a nightlight by soldering thermistors, an LED, a transistor, and a photocell to a PC board. Some had never soldered before and loved it!

Scrip Cards Available

Remember that Scrip gift cards make wonderful Christmas gifts. We are excited to announce that Marchants Meats and Amazon gift cards are now available as in stock inventory. There are also numerous other businesses in stock, such as \$100 Marathon cards, \$25 Old Navy/Gap cards, \$25 TJ Maxx cards, and \$25 Texas Roadhouse cards.

7th Grade Government

While learning about the government, the 7th graders created their own government and then worked together to solve a global problem. What great practice for our future leaders!

5th Grade Technology

We love it when students are so engaged and excited about their work that teachers overhear them saying "This is so awesome!" and "So cool!" That is just what happened when the 5th graders built a computer program using the Tynker software program. They built a dodgeball game with a character that moves when the iPad is tilted. The character must dodge balls while trying to capture the treasure. Great work, programmers!

Thankful 4K Students

To celebrate Thanksgiving, Mrs. Kac's 4K students colored turkeys and shared what they are thankful for.

Advent Food Drive

During this Advent season, SJB will be collecting nonperishable food items for the local food pantry at Holy Name of Mary Church in Maplewood. Collection boxes will be located in all school classrooms. We are hoping that our classroom boxes will be overflowing.
