Prayer of the Week**Edge and Life Teen****Middle & High School Religious Education and Youth Ministry**

Hope. What a virtue. We hope for a good day at work or at school; we hope for good grades; we hope our team wins; we hope Covid goes away...and the list goes on and on. We all hope for something. And this year at Edge and Life Teen we are going to focus on the virtue of hope and why it's so important, especially during challenging times.

But those who hope in the Lord
will renew their strength.
They will soar on wings like eagles;
they will run and not grow weary,
they will walk and not be faint.
-Isaiah 40:31

We are so excited for our YM/RE year to start! We HOPE you register soon (see what I did there?).

We kick off Confirmation on October 6th. Edge at Holy Name of Mary also kicks off on October 6th. Edge in Sturgeon Bay kicks off on October 13th and Life Teen kicks off on October 10th.

The Parish Connection

St. John Bosco School is shaping future leaders by providing academic excellence in a caring 4K-8 Catholic environment where God's gifts are nurtured and where faith is put into action.

St. John Bosco
Catholic School

Volume 10, Issue 4
October 2021

From the Principal

God, grant me the serenity to accept the things that I cannot change, courage to change the things I can, and wisdom to know the difference.

So much division, frustration, and discontent has occurred regarding masks/vaccinations and has caused heartache and disappointment within our school and church community the past 18 months. This is a temporary situation, don't let volatile feelings hurt relationships that you have cultivated for many years. Things will change and it will be hard to heal those memories of words and actions. Everyone has their own opinions and beliefs.

Where you find yourself isn't where you are always going to remain. If you are in an unwanted or pressure-filled time, it won't last forever, and God will be at work in whatever you are in to take you to a place of blessing. Don't let your current frustration define your future destination. Make a decision in the dark times to talk to God about your future and to rest secure that He has a plan. Often, we are desperate to move through unwanted times as quickly as possible. It is human nature to not want to have to struggle. Sometimes, in our desire to move on, we move impulsively and make bad decisions that have lasting consequences. Resist the urge to make a permanent decision based on a temporary circumstance. I am not suggesting that you shouldn't make decisions or shouldn't seek ways to alleviate pain in your life, but what I do want us to understand is that

situations change. In six months, things could be totally different. If you can take heart in the truth that your current struggle is not forever and that a hope and a future await because God holds your future, you can be peaceful and not panic as you walk with God through this time. When circumstances change, we have a choice. We can choose to accept that life is full of transitions and ask for grace to move through them or we can whine, complain, and lament which won't make life very fun. We can choose to give our future to God and believe that as we follow Him in faith, He will lead us to a

better place. We can go deeper in His love, become more intentional about taking in His Word, and hold tighter to His hand.

Fire Prevention Month

It is Fire Prevention Month.

Thanks to the Sturgeon Bay Fire

Department for providing SJB with a banner promoting fire safety. Students in Grades 4K-5 will soon be watching a video which highlights fire safety and emergency techniques.

Herb Kohl Educational Foundation

The Herb Kohl Educational Foundation has opened its application process for teachers and principals.

In order for teachers and principals to apply, they must be nominated first. By nominating a teacher or principal, you give them the opportunity to apply for the competitive Teacher Fellowship and Principal Leadership Awards equal to \$6,000 per winner and \$6,000 per their school.

This is a great way to honor and recognize outstanding educators and leaders in your school. Fellow teachers, school leaders, parents, community members, and even students can nominate a teacher or principal.

To nominate Mrs. Dasser and our teachers go to the school's website <https://johnboscoschool.org>. Scroll down to Herb Kohl Educational Foundation and click on Nominate Principal and Nominate Teacher. Nomination deadline is October 12, 2021 at 5:00pm central time.

Request for Veterans' Names

Please contact the school office with updated veterans' names and addresses. Our students will soon be writing letters as part of our community outreach project. Thanks for your help!

Outside Learning

Many teachers are taking advantage of the nice weather that we are experiencing and are taking our students outside to learn. Ms. Marchant and her 8th

grade Religion class enjoyed the fresh air and Ms. Schwartz

and her 3rd grade class worked on their task's sheets.

All About Me

Part of back-to-school fun is learning new and exciting facts about our classmates. Students in some of the elementary classes made an "All about me" poster to share some of their likes and interests. Great job students!

DARE

Door County Investigator Chris Neuville will be providing a 10-week DARE program for our 5th and 6th graders. Classes began Monday, September 20 during the students' Social Studies class time. At the end of the program, a DARE graduation will be held. Thank you to Investigator Neuville for fitting this into his schedule. With each public school having its own resource officer, it left SJB without a DARE instructor. Investigator Neuville stepped up and said yes right away. We believe that teaching our students the importance of making critical choices when it comes to drugs and alcohol is so important.

D.A.R.E. envisions a world in which students everywhere are empowered to respect others and choose to lead lives free from violence, substance use, and other dangerous behaviors.

Father Birdsall

At mass on Wednesday, September 22, the St. John Bosco students, and staff celebrated Father Birdsall's 61 years as an ordained priest. Students wrote cards and a large banner was made with signatures from the students and staff. Thank you, Father, for all you do for our school and our community.

New Staff at St. John Bosco

There is a new face at St. John Bosco this year. Billie Moore has joined our staff as our new art teacher. Here is a little bit

about me. I was born and raised in Door County. I attended UW-Stevens Point after graduating from high school. After graduating from UWSP with a BFA in Graphic Design I lived in Milwaukee for several years. My husband and I decided to return to Door County to start our family closer to home. We live in Forestville with our three-year-old daughter, two cats, and 6 chickens. I enjoy landscape painting, gardening, biking, cross country skiing, and exploring our state parks in my free time. I am very excited to be a part of St. John Bosco Catholic School and have been having a great time getting to know my students. This is a really great school, and I am excited to be a part of it. I look forward to having more fun and making Art.
