GOSPEL MEDITATION

Human history reveals many periods where people lost a sense of God's transcendence. It may even be argued that human beings have been wandering and lost more than they have been at home and focused. Human nature being what it is, we struggle with who God really is — the God of our salvation history or the "gods" of human constructs. Relying on our own designs and pursuits, we forget that we really are meant to listen to One upon whom the Spirit of the Lord rests, Jesus Christ, and not to ourselves. That same history that reveals our fickleness and infidelity also reveals God's constancy and faithfulness. God always finds us.

As people wander and fumble to find their way, God is there bringing them back to holiness and giving them the assurance of His presence. We have to allow God's Word, God's life, to touch us and change us. It can make us more flexible and attentive to the sacred in all facets of life so that every day is one that is holy. Every day is a time when fulfillment is possible for one's soul. Jesus stood before those gathered in the synagogue as the fulfillment of words of promise that were echoed long ago. God doesn't forget. He always comes for us.

Now it is time to remember to go to God. Sometimes our lives are so confused and tangled that it is difficult to see the Word and hand of God. But when we realize, deep within, the depth of friendship God offers to us it really has the power to turn sadness to joy. The promise is fulfilled. Going frequently to God's Word, allowing ourselves to be enriched and rejuvenated, and pondering the certainty of God's fidelity and promise permanently transforms us. We will be more aware of the sacred and the holy and less invested in things that pull us away.

Many people want to read the Bible because they know it is God's Word, but they give up because it seems so complicated. *Unlocking the Mystery of the Bible* helps you to get the "big picture" of the Bible by showing how fourteen narrative books of the Bible tell the complete story from Adam and Eve to Christ and the Church.

"I never would have read the Bible if it wasn't for this, and now I simply adore Scripture. It has given me such insight into the Catholic faith and helps me to understand its true beauty."

John 1:5

Hi there,

There is a story from 9-11 that has always struck me. When Welles Crowther was a young boy, his father gave him a red bandanna, which he always carried with him. On September 11, 2001, Welles Crowther saved numerous people from the upper floors of the World Trade Center South Tower, while sacrificing his own life. One of the survivors recalled "the man with the red bandanna" yelling "LISTEN, if you have the capability to help, you MUST help."

That statement has stayed with me ever since I watched a documentary on Welles. In fact, Welles Crowther has had a huge impact on my life.

We are living in a very difficult time, and we have the capability to help.

The truth is: our hospital is busy. Very busy. I am not there, but I have heard about some of the difficulties. Life is very hard for our hospital staff.

The truth is: our teachers are working so hard, and many are feeling exhausted and even scared to go to work.

I feel compelled to bring some lightness to those who have been impacted in a big way by the pandemic. This is a huge project. We NEED people to help.

Would you be willing to donate a coffee gift card for a DCMC or local school staff member (s)? You can get any coffee gift card you want: McDonald's, Starbucks, Glas, Kick, The Gnoshery, 5th and J, Get Real, or any place you want. You can purchase any amount, but if you could purchase in \$10 increments, that will help us tremendously.

We are also looking for people to write thank you cards to the staff of the hospital and schools. It can be generic card or specific to a career, or even to a specific person you may know. You can sign your family name if you'd like, but it's not necessary. Please make sure the envelope gives us direction on where it is to go.

All thank you and gift cards can be dropped off at one of the 4 parishes in Sturgeon Bay. Corpus Christi parish does have an outside drop box at the parish center doors-labelled-just lift the lid and slide in the slot (please do not put in mailbox). If you'd like to mail in a donation, please mail the check to Corpus Christi c/o Sarah Gavin.

Please contact Sarah Gavin at stgavin25@gmail.com with questions. Spread the word! This isn't just for Catholics, it's for our entire community!

Peace and hope,

Sarah and the Edge and Life Teen students
