## GOSPEL MEDITATION

27th Sunday in Ordinary Time

*As adults, unless we are dealing with children, "obedience" is not a word we typically like to hear. It often brings connotations of military protocols, deference to superiors at work, or conforming to laws and practices. In a culture that has learned to challenge authority, being obedient is understood more as something I "have" to do, not "want" to do. Do you ever see merit in wanting to be obedient? Encouraged to develop independent, self-sufficient egos and personas, we learn to focus on our own wills and merits as we strive for success and achieve a sense of well-being. Giving ourselves over to the will of another, especially when done blindly, can sometimes carry more risk than we are willing to take. Also, blindly following orders without any deference to ethics or morality can lead to atrocious crimes and violence against humanity.*

*St. Ignatius of Loyola states, "There are three sorts of obedience; the first, obedience when a strict obligation is imposed upon us, and this is good; the second when the simple word of the superior, without any strict command, suffices for us, and this is better; the third, when a thing is done without waiting for an express command, from a knowledge that it will be pleasing to the superior, and this is the best of all." St. Ignatius sees obedience as an act of love. When the person we are obeying genuinely has our best interest in mind, acting themselves with love and integrity, then what St. Ignatius says makes excellent sense. When mutual trust and a bond of love and respect are present, obedience can lead to freedom and truth.*

*We ask God to increase our faith. In other words, increase our trust that God knows best how to live and act in this world. We desire the same confidence, determination, and patience Jesus had that the fulfillment of God's vision would one day come. Nurturing a deep love of God and trusting in his providence, we obediently do what we know is pleasing to God: love, repent of sin, show mercy, be compassionate and fight injustice. As we willingly give witness to our faith, we do only what we are obliged to do, expecting nothing in return. Spared from the task of having to figure it all out for ourselves, we discover freedom. ©LPi*

## From the Principal

### Committed to Excellence

Vince Lombardi once said, "The quality of a person's life is in direct proportion to their commitment to excellence, regardless of their chosen field of endeavor." As you walk thru the front doors of our school you will see to your right photos of our staff at St. John Bosco. Each of us committing to excellence in the work we do each day. What does this mean? First of all, it is not just a statement but an ongoing belief. Constantly striving for excellence in every area of your life is ultimately what will determine the quality of your life, no matter what you do for a living. Excellence is not about settling for average. When you give your all at everything you do, when you commit to excellence daily, you will start to see the quality of your life escalate. You will feel more at peace. You will feel a sense of accomplishment like never before because you know that deep down, you gave everything you had. Excellence is not about how much money is in your bank account or what kind of car you drive. Excellence is about waking up each morning and declaring that you will do your best at everything you do and be better than you were the day before. Excellence and perfection are not the same thing. Perfection is the unattainable thing you strive for when you are trying to prove something to yourself or others. Excellence, on the other hand, is the confident pursuit of the highest quality when you believe in what you are doing and that its value warrants your persistent

commitment. Continuing to embrace change and move forward, we give you our commitment toward excellence on behalf of your children and continued growth in their faith, academics and social development.

### Fire Prevention Month

It is Fire Prevention Month. The Sturgeon Bay Fire Department will be giving presentations promoting fire safety to our students in grades 4K-5 on Monday, October 3. Thanks to the Sturgeon Bay Fire Department for fitting our SJB students into their busy schedule.

### Herb Kohl Educational Foundation

The Herb Kohl Educational Foundation has opened its application process for teachers and principals.

In order for teachers and principals to apply, they must be nominated first. By nominating a teacher or principal, you give them the opportunity to apply for the competitive Teacher Fellowship and Principal Leadership Awards equal to \$6,000 per winner and \$6,000 per their school.

This is a great way to honor and recognize outstanding educators and leaders in your school. Fellow teachers, school leaders, parents, community members, and even students can nominate a teacher or principal.

To nominate Mrs. Dasser and our teachers go to the school's website <https://johnboscoschool.org>. Scroll down to Herb Kohl Educational Foundation and click on Nominate Principal and Nominate Teacher. Nomination deadline is October 8, 2022 at 5:00pm central time.

### Annual School Fund Drive

This school year marks St. John Bosco's 15<sup>th</sup> anniversary! Your support has allowed our school to thrive and continue to offer a Catholic education in Door County.

A milestone anniversary encourages us to look back and appreciate all that has been accomplished. In the past 15 years,

- We have graduated 134 students;
- We have increased our average class sizes; and
- We have grown our academic areas to include Spanish, accelerated math, band and all day 4-K.

Your donation to this year's Annual School Fund Drive maintains our tradition of excellence. Your donation allows us to:

- Offer a top-notch Catholic education;
- Continue to hire outstanding teachers; and
- Maintain—and hopefully soon expand—our buildings and grounds.

**Local anonymous donors have challenged us to raise \$50,000 by November 1<sup>st</sup>. If we reach this goal, we will receive an additional \$10,000 donation toward the Annual School Fund Drive. Your support helps us reach this goal!**

There are exciting things to come. With God's grace and your support, we look forward to the next 15 years at St. John Bosco.

As always, thank you for your continued support and generosity.

### Request for Veterans' Names

Please contact the school office with updated veterans' names and addresses. Our students will soon be writing letters as part of our community outreach project. Thanks for your help!

### DARE

Door County Investigator Chris Neuville is providing a 10-week DARE program for our 5<sup>th</sup> graders. Classes began Thursday, September 15 during the students' Social Studies class time. At the end of the program, a DARE graduation will be held. Thank you to Investigator Neuville for again fitting SJB into his busy schedule. We believe that teaching our students the importance of making safe and healthy living decisions when it comes to drugs, alcohol, and bullying is so very important.

**D.A.R.E. envisions a world in which students everywhere are empowered to respect others and choose to lead lives free from violence, substance use, and other dangerous behaviors.**

### Thank You Confirmation Candidates

Many thanks to Sarah Gavin and some of the Confirmation candidates for spreading the new mulch under the maple trees this past August. Former Bosco graduates that helped with this project were Ashton Deuchert, Greta Fogarty, Jackson Fogarty, and Collette Ullman. As part of their service requirement, seniors helped with this time-consuming job. Thank you so much!

### Cross Country Update

SJB has five students participating in our first ever cross country team. We have competed in four meets, with two more to go. Runners are continuing to improve their personal best. Our next meet is this Friday at Northbrook Country Club beginning at 2:45.

### Grandparents/Grand Friends Week

### New Science Tables and Chairs

St. John Bosco School received a grant from the Horton Foundation. With these monies, we were able to purchase 4 new science tables, 16 chairs, and the funds to do electrical hookup to each of the tables. We are so excited for this updated makeover in the Science Room!

### Blessing of the Animals

St. John Bosco School will be celebrating the Blessing of the Animals on Friday, October 7 at 7:55am. Parishioners are invited to join us with their special pet in the Maple Street Parking lot prior to the start of our school day.

### Helpful Ways to Bring Extra \$ to SJB

SJB will gladly take your Tadych's MarketPlace receipts. We will also take Pick n Save, Walmart, and Target receipts, but these must be turned into the school office within 14 days of purchase. We can only scan these receipts for Box Tops for Education and they expire after 14 days. Buying Scrip at Corpus Christi Parish and choosing St. John Bosco as your designation also benefits us. These simple actions by you can literally bring in thousands of dollars for us. Thank you!

### Backpack Donations

SJB received 10 backpacks filled with school supplies in memory of Marilyn Van Den Bogart. We will keep Marilyn and her family in our prayers.
