GOSPEL MEDITATION

February 5, 2023

The Fifth Sunday in Ordinary Time

I recently decided to learn to cook. As I sit at the feet of various YouTube cooking masters, I notice how much of cooking is adding ingredients that don't provide any more nourishment, like herbs and other seasonings. But man! They make all the difference because they make the meal delightful to eat and share.

Jesus calls his disciples "salt of the world." No one eats just salt. So, Christians are not meant to replace or do away with the world. They are meant to be agents of preservation and glorification. Notice how often these days the Church seeks to preserve what is threatened: the goodness of marital and family love, the desires of young people for greatness, the value of honest work, healthy economics, and altruistic political engagement, the dignity of the poor and vulnerable. Over and over, we say to a world who wants to throw things out, "It's worth saving! We'll preserve it! We'll show you it's wonderful." If we can't engage the world like that, Jesus says we are the ones who get thrown out, because salt alone is worthless.

Jesus only asks us to do for others what he does for us. He is the "salt" of everything in our lives. Is there something in your life starting to rot a bit? Something tasting bland and boring? Let Jesus salt it and see if you like it better.

EDGE LIFE TEEN

Middle & High School Religious Education and Youth Ministry News

What do we learn about at Edge and Life Teen?

Over the past several weeks, the Edge students (6-8th grade) have been focusing on prayer. They know vocal prayer, community prayer, personal prayer, and spontaneous prayer. We have talked about how important the Holy Spirit is in our prayer lives.

At Life Teen (grades 9-11) we have been focusing on the Gospels! It's amazing to see how open and willing these teenagers are to learn more about Jesus through the Gospels!

PARISH & OTHER NEWS

Needed amount
this year is
\$39,347.00.

What impact does my gift have?

Your gift to the Bishop's Appeal helps Catholic Charities reach out to those in need by providing individual and family counseling. Catholic Charities teaches people financial responsibility, provides adoption and pregnancy counseling to birth parents and adoptive parents, guides individuals with unplanned pregnancies and offers other counseling services. Your gift brings faith formation to people of all ages. Parishes and Catholic schools are able to provide strong religious curriculum, train educators and youth leaders and supports Camp Tekakwitha summer camp for our youth. Within parishes, your gift assists in training and supporting pastoral ministers, parish staff, deacons and lay ministers. It supports outreach ministries, adult faith formation and we also support campus ministries for young adults. These are just a few ways your gift to the Bishop's Appeal makes a difference. For more information, please visit our website at www.catholicfoundationgb.org or watch your mail the week of Feb. 6th!

Developing an Emergency Response Plan

Please contact the parish office if you are interested in lending your expertise to assist in drafting an Emergency Response Plan for Corpus Christi Parish. All parishes within the Catholic Diocese of Green Bay received a detailed Emergency Response Plan template for review to develop an emergency response plan specific for each parish. After reviewing the detailed template from the diocese, developing an emergency response plan specific to Corpus Christi Parish should not take more than one or two meetings. Thank you.

Praying the Memorare

Not all of our parishioners have returned to worship with us on weekends since COVID, and we miss them. So, for nine weekends beginning Feb. 4-5, and ending April 1-2, we will ask Mary to intercede that they return by praying a Memorare after Communion at all Masses. How wonderful if Easter would see their faces back in the pews again!

The purpose of this workshop is to honor, explore, and learn about angels. Our desire is for participants to become aware and empowered by opening their hearts to “angelic possibilities” in their everyday lives.

John Bosco's theory of education was placing students in surroundings removed from the likelihood of committing sin. He advocated frequent reception of the sacraments of Penance and Holy Communion. He combined catechetical training and fatherly guidance, seeking to unite the spiritual life with one's work, study and play.

Encouraged during his youth in Turin to become a priest so he could work with young boys, John was ordained in 1841. His service to young people started when he met a poor orphan in Turin, and instructed him in preparation for receiving Holy Communion. He then gathered young apprentices and taught them catechism.

After serving as chaplain in a hospice for working girls, Don Bosco opened the Oratory of St. Francis de Sales for boys. Several wealthy and powerful patrons contributed money, enabling him to provide two workshops for the boys, shoemaking and tailoring.

By 1856, the institution had grown to 150 boys and had added a printing press for publication of religious and catechetical pamphlets. John's interest in vocational education and publishing justify him as patron of

young apprentices and Catholic publishers.

John's preaching fame spread and by 1850 he had trained his own helpers because of difficulties in retaining young priests. In 1854, he and his followers informally banded together, inspired by Saint Francis de Sales.

With Pope Pius IX's encouragement, John gathered 17 men and founded the Salesians in 1859. Their activity concentrated on education and mission work. Later, he organized a group of Salesian Sisters to assist girls.

John Bosco educated the whole person—body and soul united.
