## GOSPEL MEDITATION

**February 19, 2023**

**The Seventh Sunday in Ordinary Time**

*Of all the things Jesus says which seem totally bat-crazy, this one might take the cake: "But I say to you, love your enemies, and pray for those who persecute you." An enemy is someone who desires the destruction of you, your projects, or those you care about. To love and pray for them is to want their health, strength, and flourishing. But if they thrive, they are more likely to hurt you and others. So, aren't you indirectly willing your own destruction, or that of your friends? If you doubt that this problem is embedded in this teaching, when was the last time you actually prayed honestly for the people you really hate?*

*How can we solve this riddle so we might actually live this command? Recall that enemy-love is the surest sign that you love someone with God's love, and not with indirect egotism. After all, if my love for my enemy ends up hurting me or my loved ones, it can't be for me. Enemy-love costs more because there are no tit-for-tats. No reciprocity — just loved poured out, and often pain in return. That's why it is so precious and rare. "What is unusual about that?" asks the Lord about love for our friends. Jesus wants us to experience the unusual love which only comes from him.*

*When Jesus was being killed on the cross, he was loving his executioners. In fact, he was holding them in being as they nailed him to the cross. He loved those who were spiritually piercing his Mother's heart, while they were doing it. And when he rose from the dead, he showed us that this kind of love is always worth it. It's stronger than death. Real love is unusual.*

In addition to abstaining from meat, Catholics who have celebrated their 18th birthday until they celebrate their 59th birthday are to fast on Ash Wednesday and Good Friday. Those who are bound to this regulation may only eat one full meal. Two smaller meals are permitted if necessary to maintain strength according to one's needs but eating solid foods between meals is not permitted.

### Building Disciples of Christ

Jesus calls us to build people up, heal the broken, and bring love to everyone. Catholic Charities works with individuals, families and communities to help them meet their needs and resolve their problems. Catholic Charities is committed to bring social services to people of all faiths and ethnicities. Thousands of individuals and families are helped each year throughout our 16-county diocese. Many have little or no health insurance. They offer programs and services in: Individual and Family Counseling; Adoption, Pregnancy and Parenting; Support: Family Strengthening. The counselors of Catholic Charities are disciples of Christ. Your gift to the Bishop's Appeal allows Catholic Charities to bring the love of Christ to those who need it the most. Mail in your gift today, or go online to [www.catholicfoundationgb.org/give](http://www.catholicfoundationgb.org/give), or call Tammy at the toll-free number 1-877-500-3580 ext. 8123.

### Your Lent Journey

What are you looking to do during your Lenten Journey? More prayer time? Adoration? Reading scripture? Volunteering in one of the ministries? Contact the parish to do so (920-743-4716).

### Praying the Memorare

Not all of our parishioners have returned to worship with us on weekends since COVID, and we miss them. So, for nine weekends beginning Feb. 11-12, and ending April 8-9, we will ask Mary to intercede that they return by praying a Memorare after Communion at all Masses.

## Lenten Symbols

### Ashes

are a reminder of our mortality and call for repentance and how much we need God's love and help to be good people. These ashes are from the blessed palms used on Palm Sunday.

### Stations of the Cross

also known as the Way of the Cross, is a devotion whereby we make a spiritual pilgrimage of the prayer commemorating the passion and death of Jesus.

### Bare Branches

symbolize Jesus' death on the cross. It also reminds us that out of what seems to be lifeless, comes new life, both in nature and in the Resurrection.

### Palm Branches

symbolize Jesus' entry into Jerusalem. The branches remind us that there are both triumphs and defeats in our lives, but that if we maintain a relationship with God, we will ultimately triumph.

### Cross

An ancient sign of our faith, is a sign of turning to God and being sorry for what we have done or failed to do. It is also a sign of hope that we will have the courage to live by the Gospel, and trust that Jesus will be there to help us.

# Lent comes from a Germanic root meaning Spring

## The Liturgical Season of Lent

– the season that initiates us into the most sacred season of the Liturgical Year, but also a season of real soul searching. We fast so our bodies and spirits may understand this as a sacred time. We give offerings so we can recognize our unity with one another and all God's people. God promises life from death. Our call this Lent is to believe it is true.

Throughout Lent, we are asked to be more conscious of carrying our cross. It means to take the suffering and inconveniences that are in front of us and use them to generate love.

Lent is also a season for repentance, for recognizing our ongoing necessity and need for Divine help. We fast so that the hunger for food might awaken our desire for deeper hunger.

As we journey from Lent to Easter it is not just a joyful ending to Jesus' story. It is a new beginning for him and for all of us. The grave wasn't the end. And because of Him it never will be for us either. Easter means that what is mortal becomes what is eternal. Easter is the gateway to eternity – the very pulse of our life.

The Church gives us this time to prepare for the greatest of all her

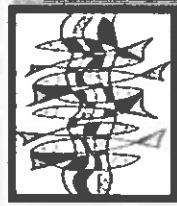

feasts –

## EASTER.

### ACTS OF LOVE

**The season of Lent lasts for 40 days,** a number of great significance in the Bible.

- God made it rain for 40 days during the days of Noah,
- Moses stayed 40 days on Mt. Sinai after receiving the Ten Commandments.

- After his baptism, Jesus spent 40 days in the desert.

### *What takes place during the 40*

*days of Lent* happens in a time set aside for us to experience God in unique and special ways. Everything that takes place during our Lenten journey prepares us to more fully participate in Jesus' passion, death, and resurrection.

**During Lent** *we see the lengthening of daylight hours as we progress from the darkness of winter to the new light of spring. Darkness can give way to increasing light. Something new and wonderful can be born - exactly what Advent promised.*
