The Fourth Sunday of Lent

Everyday Stewardship

Talking about discipleship and truly being a disciple are two very different things. It is easier to know what we should do than to carry out. Many saints from our tradition have had much to say about this struggle to do what they know they must do, and not do that which they know they shouldn't. It is part of being human.

Without God, we have no chance to overcome this predicament. Without God, our actions can ring hollow, or often we are too immobilized to act at all. Without God, we suffer with blindness to the truth of what is important and eternal.

The story in John 9 of Jesus healing the blind man is about more than a physical healing and just one man. It is about how each of us can find healing of our blindness by turning to Jesus Christ. Are you someone that has been saying, "I don't understand all this talk of discipleship and stewardship; what's the big deal?" We all have a blindness that needs to be healed, and the body of Christ needs you so that God's presence in our world can be seen in a more profound manner. The reality is that God heals the blindness of those who seek him so that, in turn, they may be vehicles by which others may see as well.

This Lent, you are invited to bring your blindness to Jesus. All the written reflections in the world will not give you new eyes. Those eyes can only be found in Jesus.

EDGE LIFE TEEN

Middle & High School Religious Education and Youth Ministry News

No Edge or Life Teen this week (March 22nd) Have a great Spring Break!

We have a couple spots left for our 2023 mission trip to Texas this summer! All current 8th graders-the class of 2023 are invited! In the next few weeks, we will cover WHY ALL high school students should attend.

• Beyond broadening perspectives, mission trips demand that teenagers participate. Painting a house, playing with kids, serving a meal, sleeping on an air mattress, experiencing a new culture – these are a few examples of ways comfort zones are crossed. But when coupled with intentional processing and worship, mission trips have the unique ability to challenge students' comfortable perceptions of God and the world. Faith steps beyond the doors of the church and demands to be applied to real-world living.

Here are some Lenten challenges for your family this week: Pray a Hail Mary and Glory Be for the first person (or every person) you encounter that you disagree with.

Do a little research on a saint of the Church you don't know a lot about. Here are some ideas to get you started: St. Maria Goretti, St. Dominic Savio, Blessed Pier Giorgio Frassati, Blessed Carlo Acutis, and St. John Paul II.

Happenings in Children's Ministry

Liturgy of the Word for Children! All children ages 4 through 3rd grade are invited to participate at the 10am Sunday Mass at St. Joe's on March 12th & Sunday's after.

No Genesis on Wed. March 22nd.

Option of the Poor Projects: Genesis children will be putting Easter baskets together for our local nursing & assistant living homes. Baskets will also include a homemade art project by the students. Items they are collecting: small baskets, Easter grass, bags of candy individually wrapped, fuzzy socks and chapstick. If you know of someone to receive one contact Laura 743-2062.

Praying the Memorare

Not all of our parishioners have returned to worship with us on weekends since COVID, and we miss them. So, for nine weekends beginning Feb. 11-12, and ending April 8-9, we will ask Mary to intercede that they return by praying a Memorare after Communion at all Masses.
