GOSPEL MEDITATION

April 2, 2023

Palm Sunday of the Passion of the Lord

What's your car? Let's say it's a fancy silver Toyota. Now imagine you're having lunch in a restaurant and suddenly see two men outside attempting to steal it. You run outside and confront them. They respond, "The master has need of it." How do you respond? Would you just let them take it, and leave you without a car? I don't think I would.

Yet that is precisely what the owners of the colt on Palm Sunday do. Stunningly, and perhaps a little comically, Jesus instructs two of his disciples to commandeer a colt for him to ride. And when they hear the disciples say, "The master has need of it," they let them take it. Of course, Jesus knew they'd let it go. He gave them the grace to let go of what is rightfully theirs. The result? That colt became perhaps the most famous and important animal ever. The beast plays a role in the redemption of the world.

As Holy Week begins, Jesus perhaps will send people to you to ask for something valuable to you. Perhaps it's your car. More likely it's something like your attention, time, or energy. It's natural to resist at first. We've got things to do, after all. But if the interruption is from Jesus himself, listen to that voice which calmly says, "The master has need of it." And simply let it go. You'll be amazed what the master will do with it.

EDGE LIFE TEEN

Middle & High School Religious Education and Youth Ministry News

The Seder Meal at Corpus Christi is this Wed at 6:15pm! Sarah talked about it last week. Reservations required, so please call the parish office by Mon. Apr. 3rd to attend.

Please attend at least one of the Triduum services as a family. Our students learned all about the Triduum last week at Edge and Life Teen, ask them what each day is all about and see if you can make it a family priority!

We have a couple spots left for our 2023 mission trip to Texas this summer! All current 8th graders-the class of 2023 are invited! In the next few weeks, we will cover WHY ALL high school students should attend.

- Beyond broadening perspectives, mission trips demand that teenagers participate. Painting a house, playing with kids, serving a meal, sleeping on an air mattress, experiencing a new culture – these are a few examples of ways comfort zones are crossed. But when coupled with intentional processing and worship, mission trips have the unique ability to challenge students' comfortable perceptions of God and the world. Faith steps beyond the doors of the church and demands to be applied to real-world living.

Mission Trip meeting! April 2nd at 11:15pm at St. Joseph (in basement). For all those interested and already signed up!

Annually, 91 - 93 percent of your gift to the Bishop's Appeal supports the ministries of the Diocese of Green Bay. That is 91¢ - 93¢ of every \$1.00! Your gift will help in countless ways. Children and families are able to attend lively, interactive education programs learning the Word of God. A young woman in an abusive relationship is able, through counseling with Catholic Charities, to stand on her own feet. Your gift makes happy endings possible.

Thank You

Thank you to the ladies that worked on making quilts and blankets for the Salvatorian Mission. Around 66 quilts were made. These items and other items will be delivered to New Holstein and distributed to those in need. Thank you for being Christ's hands!

St. John Bosco
Catholic School

Volume 11, Issue 9
April 2023

From the Principal

Parishioners,

During the past several weeks at St. John Bosco we have talked about the Easter Triduum, also called the Paschal Triduum, in hopes that a greater understanding of the meaning and importance of these days will encourage us to come together and celebrate the great mystery of our faith. We have learned that triduum means three days and that the three days are counted from dusk to dusk, Holy Thursday through Easter Sunday. These days are the culmination of the entire church year because they celebrate the Paschal Mystery, which is the basis of our faith, dying Christ destroys our death and rising he restores our life. The sacrifice of Jesus on our behalf and His resurrection on the third day cannot be celebrated in only three days, however. The joy in knowing that Jesus lives after we have seen him dead on the cross spills over, and we celebrate during the fifty days of Eastertide. The Easter Triduum is one celebration which continues for three days. We come to church at various times during those days, and when we are not in church, we try to live a quieter, simpler life focusing more of our attention on Christ and less on the secular world. There are practices we experience during the Triduum that we see at no other time during the year: the washing of the feet, the veneration of the cross, the service of light, the singing of the Exultet, the baptism

of the elect, the reception of the candidates into full membership in the Catholic Church. It is said that the Triduum is so full of moments that can touch our inner being and move our soul. Called by your baptism as a child of God, I hope you experience the fullness of the Easter Triduum on Thursday, Friday and Saturday/Sunday of this next week.

Reconciliation & Stations of the Cross

On Wednesday, March 8th, Fr. Ryan, Fr. Tom, Fr. Tony and Fr. Bob celebrated Reconciliation with our students in Grades 3-8. We thank them for fitting this important Lenten practice into their busy schedules for us. Thanks also to Father Ryan for praying the Stations of the Cross with our students on March 17th and 31st. Reflecting on Jesus' last days keeps us focused on our own personal Lenten journey.

Thank You to Our Supporters!!!!

The funds raised through donors' generosity allow our students to flourish in our school. St. John Bosco provides students the opportunity to thrive in an environment that is rich with love, strong in Catholic values, and challenging academically.

We recognize your dedication to our staff, school, and students and are humbled by the sacrifices you have dedicated to our mission.
