GOSPEL MEDITATION

May 7, 2023

Fifth Sunday of Easter

If you had to summarize the essential core of the Christian life, what would it be? Mercy, truth, or love, perhaps? The readings today suggest another word which may surprise you. That word is priesthood.

St. Peter says to us, "You are a 'chosen race, a royal priesthood...'" To be part of a priesthood is to offer a particular sacrifice in order for the community to survive and thrive. Jesus is the great high priest because he offers the one perfect sacrifice which heals and perfects the entire human race. Peter the Apostle wants us to know that all the baptized share in this priestly ministry. The whole of our lives, including every detail, is meant to become our acceptable offering to God.

The baptized exercise this priesthood in many ways, I'll mention three. At Sunday Mass, in private prayer, and in daily work. At Mass, we offer the sacrifice of our lives with that of the priest, who symbolizes Christ the Priest. In our prayer, a "morning offering" prayer is a great way to offer up all the joys and sufferings of the day to come. In our daily work, we sacrifice our time, comfort, money, and energy to do good for others. All this gives the deepest possible meaning to our lives: we share in the priesthood which saves the world. That's at the core of our faith.

LORD I TRUST YOU

Almighty God we thank you for the gift of your word to us this day not to have self-doubt but to trust in You.

Grant that we may learn to ride over the obstacles of our self-doubt and guilt that diminish our confidence.

We pray also for those who have lost trust in themselves and in You that they may regain their trust in You.

Lord place in us the spirit of courageousness. We ask this through Christ our Lord.

Amen

Bishop's Appeal: Mail Your Donation in Today!

Needed amount this year is \$39,347.00. We received \$36,365.00-only \$2,982.00 yet to go! Thank you!

Strengthening Faith through Adult Faith Formation Programs

Recent history bears witness that if adults are not well-formed in the Faith, the younger generations will lack formation as well. But with solid and vibrant adult faith formation programs, a personal relationship with Christ is better fostered among parishioners, the Sacraments begin to take on more relevance in everyday life and the motivation to share the Good News with those outside the flock is awakened. From there, the good work of catechizing children by the local parish is more likely to be reinforced by well-formed parents. In short, the benefits are incalculable! Thanks to the Bishop's Appeal, diocesan staff can provide resources, guest speakers and curricula to help parishes advance the mission in forming adults through Christ. Please prayerfully consider making a gift to the Bishop's Appeal. Mail in your donation, visit the website at www.catholicfoundationgb.org/give, or call Tammy toll-free at 877-500-3580 ext. 8123.

You will have an opportunity to meet him at our social, in the social hall, following the concert.

The Parish Connection

St. John Bosco School is shaping future leaders by providing academic excellence in a caring 4K-8 Catholic environment where God's gifts are nurtured and where faith is put into action.

Volume 11, Issue 10
May 2023

From the Principal

Dear Parishioners,

According to Webster's dictionary *nurture* is defined as "the care and attention given to someone or something that is growing or developing." During the month of May, our staff, Mothers, First Communicants and 8th grade graduates are all especially nurtured.

Throughout the month of May we honor the Blessed Mother who has the amazing distinction of nurturing the Son of God. She exemplifies unconditional and sacrificial love, and sets an example for us to follow.

The second week of May is *Staff Appreciation Week*. Our classroom and related arts teachers, assistants, and office staff give so much of themselves to the students at SJB. Every day I see concrete examples of our students being nurtured cognitively, emotionally, and spiritually. In the past, as I took visitors through the school, comments were made about how 'happy' the school environment is. I credit our committed staff for nurturing this culture of care, compassion, and support.

We also turn our attention to our mothers, grandmothers, godmothers, and friends who are like mothers, who nurture like no other. The patience, attention, understanding and love provided by these wonderful women in our lives affect healthy growth and development that we often can't truly appreciate until we are much older.

A special mass celebrating the second graders First Communion and the third of the seven sacraments they have received was celebrated last weekend. When we grow in love for God through our union with Jesus, we also grow in

our love for our fellow man. Our Holy Communion should produce fruits in ourselves that we nurture over time: an increase in neighborliness, in compassion, in patience and forbearance towards others.

Lastly, our 8th graders journey with us is ending soon and it is bittersweet. It is my hope that the guidance, nurturing, and care they received here will provide the solid foundation needed for a successful high school passage. I also hope they will cherish the memories made here at St. John Bosco.

Yes, the month of May is filled with special events and celebrations which are reminders of the love that surrounds us; love of family, love of our school, love of community, love of our God.

Blessings,

Mrs. Dander
