GOSPEL MEDITATION

August 20, 2023

The Twentieth Sunday in Ordinary Time

The suffering of a child symbolizes uniquely terrible evil as well as despair about the future. This week's Gospel gives a "limit" case in which Jesus encounters this evil in the form of a mother with a suffering daughter. What he does is stunning and massively helpful for us if we bravely ponder the details.

The Canaanite woman comes to Jesus and begs his mercy. "My daughter is tormented by a demon," she declares to him. Shockingly, he responds first with silence, then with a dismissive comment, and only then finally accedes to her third request. Is this simply a lesson in perseverance in our petitions to God, who is like a genie in a bottle? Does that justify the humiliation and pain this woman suffers? Is the Lord cruel?

I don't think so. Notice how the encounter ends. She compares herself to a dog at the table of a master. Jesus responds by praising her great faith and fulfills her deep desire. Somehow this non-Israelite woman intuits that this harrowing situation is not dumb suffering. She senses that the door of God's family is, in Jesus, being opened to her and her loved ones. She trusts she is at the Lord's table, and her desires will be fulfilled and that all her sufferings — and her daughter's, too — will lead a great banquet. In our sufferings this week, the Lord wants us to treat him less like a genie in a bottle and more like the Master who has taken us — lost little dogs that we are — into his home forever. Trust that and keep praying in the face of evil.

Please use the envelope provided in this bulletin or take one from any of the church entrances. Checks should be made payable to Corpus Christi Church with memo of "MCP". We will have Sr. Angela Ireland here next weekend speaking at all Masses from the School Sisters of St. Francis.

The School Sisters of St. Francis are an international community of sisters who touch and change the lives of millions of people around the world through a myriad of ministries. Founded in Milwaukee in 1974, their missions continue to evolve to serve the needs of our times based on the needs of people who live in poverty and are marginalized by society. These ministries stretch across the globe from the United States to Latin American, North India and South India - Their legacy is one of empowerment and hope. Sister Angela Ireland, born in Gloucester, England, has been a member of the School Sisters of St. Francis SSSF, for over forty years. As an adult religious educator, she served in Catechetical Ministry in the Archdiocese of Milwaukee, WI and in the Diocese of Davenport, IA. She has served on several Archdiocesan Councils: Pastoral Council, Sisters' Council, Women's Commission, working closely with the Archbishop. Sixteen yrs. ago she studied and became a Certified Catholic Chaplain working with Ascension Hospitals in Milwaukee. Since she retired in Nov. 2022, she continues with On-Call Chaplain ministry, Justice ministry and is a caregiver of a 95yr. old sister.
