Volume 10, Issue 11
May 2022

From the Principal

In Catholic tradition, the month of May is dedicated to Mary. Chosen by God above all other

women, Mary's faith and obedience paved the way for the Incarnation. Her example teaches us faith, obedience, humility and most of all, how to love. According to St. Thomas of Villanova, "If in this world any creature ever loved God with whole heart, with whole soul, and with whole mind, she was the creature."

The Catechism of the Catholic Church defines Mary's unique role as being honored above all other saints, including the Apostles. At the foot of the cross, her heart broke for Jesus, yet she accepted God's will not only for her Son, but for herself in her new role as mother to us all. (John 19:25-27) So, not only is she the mother of Jesus, and thus, the Mother of God, she is also the Mother of the Church. In the end we should realize the great gift we have as Catholics. Honoring Mary seems natural to us. We honor our mother in heaven as easily as we honor our mothers on earth. From all mothers, we learn a great deal. From Mary we learn the greatest thing, how to love God himself. As we honor our earthly mothers, let's honor our heavenly mother as well. During the month of May we pray with our mother, that we may love Jesus as she does.
