

## Memorial Bench Ordering Process

Memorial Benches are now being offered throughout the cemetery to commemorate your loved one(s). For a donation of \$3,500 you can commemorate a bench "In Memory" of a loved one, couple or family.

Benches are polished charcoal granite standing 1 ½ ft high with a 2 x 4 ft seat. Engraving will be included on one side of the bench, facing the drive. For an additional \$250 donation, the opposite side may be engraved. Twenty 2" letters or thirty 1-1/2" letters are allowed and can be written in the grid on the back of this form. Bench locations will be offered on the edges of sections and determined by the Cemetery Association.

Specific locations will be assigned on a first come first serve basis. Please contact Tess Eiden at the Parish Office 763-425-2210 for a map of options and to reserve a specific location.

Then fill out the attached/following and send to:

St. Vincent de Paul Attention: Tess Eiden, 9100 93rd Avenue N. Brooklyn Park, 55445.
