

# Commemorative Opportunities

With the Garden Expansion complete we have new opportunities for the St. Vincent de Paul community to commemorate our deceased friends and families. The commemoratives will honor our loved ones and continue to beautify our cemetery. These opportunities can also commemorate our deceased relatives not buried in the St. Vincent de Paul Cemetery.

Starting this spring we will have three opportunities to commemorate our loved ones:

- Engraved paver tiles around the columbarium
- Memorial trees in the Garden area with an engraved plaques.
- Engraved granite benches will also be an option in the near future.  
(to be placed in designated locations throughout the cemetery).

## Engraved Paver Tiles

Three different sized will be offered:

Size*	Donation
4x8	\$100
8x8	200
12x8	300

A simple engraving 'In Memory' of your loved one(s) is included for the donation. \*See order sheet for layout and lettering of each size.

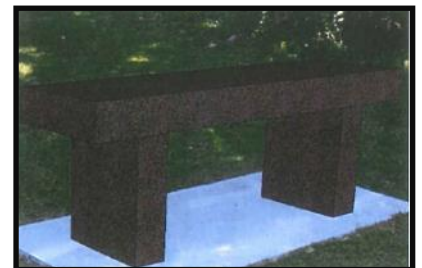

## Memorial Trees

There are trees throughout the cemetery that are being offered for a donation of \$1000. The donation will include a memorial plaque. Location will be based on a 'first come, first served'.

## Engraved Memorial Benches

Memorial benches are now being offered throughout the cemetery to commemorate your loved ones. For a donation of \$3,500, you can commemorate a bench in memory of a loved one, couple or a family. Benches will be placed in designated and approved locations on a first come, first serve basis.
