FATHER'S CORNER

Father José

In the field of the Lord there are two types of plants, wheat and weeds. Our actions determine what type of plant (using this image) we are in the field (the church) of the Lord. We may all want to be a wheat growing with splendor, but perhaps we are just a sad spiny weed. I stated before "Not all people come to Church to pray." Some come with less than noble intentions, and some with outright hostile intentions. We have all sorts of people in the life of the church. We have both wheat and weeds. The church certainly is a large field, with people of different backgrounds and different interests. We know that both weeds and wheat will be together in this field until the Lord separates them. But we must be careful to not become a weed. How can we know if we are heading in such direction? Let's look at the weeds. When I was in my previous assignment, I did a fair share of pulling weeds around the church grounds. There was big field where many large weeds had overgrown and there were others all around the grounds. I would go out to pull them out. At first with my bare hands, but then I got a little smart and started using gloves. They were hard to pull. At the first times, the next day my knees would be sore because I had to apply to much pressure to pull the weeds out. Weeds are stubborn, hard to pull and many of them are prickly. These marks of the weeds can be applied to those in the church. Let's try to avoid being that type of person who is stubborn and create problems for others with so many complaints. Let us avoid giving Father a headache by challenging everything, and more so starting to spread bad attitude to others. And let's not be prickly. Let's not make comments that have a double intention and get into verbal spats with others in the church. Hopefully, we don't end up being a weed and be tossed into the furnace. We will endure the weeds in the field of the church, but the end-result will be different. Let's try to be more like the wheat. We know we will be like this, when two things are happening. First, be kind to those weeds that are growing alongside. Second, grow strong with prayer. We may not know how to pray but the Spirit will intercede. The big difference between a wheat and a weed is the life in prayer. The enemy is out there trying to kill the wheat, but the wheat must endure in prayer. At first the wheat and weed will begin growing the same, but the difference will soon be apparent. Those who have an authentic, a sincere, and a constant prayer life will continue to grow in their spiritual life even if weeds are around. As mentioned, our actions will determine what we will be at the end of time, may we be at the right side of history, and be a strong, beautiful, fruitful wheat.

LA ESQUINA DEL PADRE

Padre José

En el campo del Señor hay dos clases de plantas, trigo y mala hierba (cizaña). Nuestras acciones determinan qué tipo de planta (usando esta imagen) somos en el campo (la iglesia) del Señor. Es posible que todos queramos ser un trigo que crece con esplendor, pero tal vez solo seamos una mala hierba triste y espinosa. He dicho antes: "No todas las personas vienen a la Iglesia a orar". Algunos vienen con intenciones menos que nobles y otros con intenciones totalmente hostiles. Tenemos todo tipo de personas en la vida de la iglesia. Tenemos trigo y cizaña. Porque la iglesia ciertamente es un campo grande, con gente de diferentes antecedentes e intereses diferentes. Sabemos que tanto la cizaña como el trigo estarán juntos en este campo hasta que el Señor los separe. Pero debemos tener cuidado de no convertirnos en una mala hierba. ¿Cómo podemos saber si vamos en esa dirección? Miremos las malas hierbas. Cuando estaba en mi asignación anterior, hice una buena parte de quitar la maleza alrededor de los terrenos de la iglesia. Había un gran campo donde habían crecido mucha maleza y algunas otras por todo el recinto. Al principio las saqué con mis propias manos, pero luego me volví un poco inteligente y comencé a usar guantes. Eran difíciles de sacar. Las primeras veces, al día siguiente me dolían las rodillas porque tenía que hacer mucha presión para sacar las malas hierbas. Las malas hierbas son obstinadas, difíciles de arrancar y muchas de ellas son espinosas. Estas señales de la cizaña se pueden aplicar a las de la iglesia. Tratemos de evitar ser ese tipo de persona que es terca y crea problemas para otros con tantas quejas. Evitemos darle dolor de cabeza al padre desafiándolo en todo, y más aún comenzando a contagiar malas actitudes a los demás. Y no seamos espinosos. No hagamos comentarios que tengan una doble intención y entremos en peleas verbales con otros en la iglesia. Ojalá no terminemos ser mala hierba y ser echado en el horno. Soportaremos la cizaña en el campo de la iglesia, pero el resultado final será diferente. Tratemos de ser más como el trigo. Sabemos que seremos así, cuando estén pasando dos cosas. Primero, sé amable con las malas hierbas que crecen a tu lado. Segundo, fortalécete con la oración. Puede que no sepamos orar, pero el Espíritu intercederá. La gran diferencia entre el trigo y la cizaña es la vida en oración. El enemigo está ahí afuera tratando de matar el trigo, pero el trigo debe resistir en oración. Al principio, el trigo y la mala hierba comenzarán a crecer de la misma manera, pero pronto se notará la diferencia. Aquellos que tienen una vida de oración auténtica, sincera y constante seguirán creciendo en su vida espiritual aunque haya malas hierbas alrededor. Como se mencionó, nuestras acciones determinarán lo que seremos al final de los tiempos, que estemos en el lado correcto de la historia y seamos un trigo fuerte, hermoso y fructífero.

"PRAY: The Story of Father Patrick Peyton"

"PRAY" is an inspiring documentary about a poor, uneducated Irish immigrant who sets sail for America in 1928 with nothing but his faith and dreams of becoming a millionaire.

Arriving in Pennsylvania and unable to find work, he accepts the position as a janitor at the cathedral, which rekindles his long lost desire to become a priest — and changes the course of his life. Nearing ordination, his life takes a radical turn when he is stricken with tuberculosis.

Facing certain death, he sinks into despair. A visit from his mentor, who delivers a simple message to pray, lifts the darkness. Taking his advice to heart, Patrick prays fervently to Mary, the Mother of Christ, for her intercession and he experiences a miraculous recovery.

Feeling deep gratitude, he dedicates his life to telling all the world about the power of prayer and encourages families everywhere to bring prayer into their homes. Never taking "No" for an answer, he convinces Hollywood's biggest stars to help him spread the message, "**The family that prays together stays together**", through the power of mass media including radio, television, and film.

Father Peyton's fame spreads around the world, and audiences in the millions flock to his public prayer rallies. This is the story of a tireless missionary, an unlikely hero, and one of history's greatest advocates for family prayer.
