THE MOST HOLY BODY AND BLOOD OF CHRIST

Then taking the five loaves and the two fish, and looking up to heaven, he said the blessing over them, broke them, and gave them to the disciples to set before the crowd. They all ate and were satisfied. And when the leftover fragments were picked up, they filled twelve wicker baskets. - Lk 9:16-17

EL CUERPO Y LA SANGRE DE CRISTO

Después Jesús tomó en sus manos los cinco panes y los dos pescados, y levantando su mirada al cielo, pronunció sobre ellos una oración de acción de gracias, los partió y los fue dando a los discípulos, para que ellos los distribuyeran entre la gente.

Comieron todos y se saciaron, y de lo que sobró se llenaron doce canastos. - Lc 9, 16-17

As Catholics there shouldn't be convincing why the Eucharist is the Real Presence, but unfortunately there are those who continue to claim to be Catholic who have stopped believing, so here is an apologia (a presentation and defense) to remind all about the benefits of the Eucharist. There are those who come sporadically to the Eucharist. They shouldn't be receiving it, because the commandment of the church is to receive the Eucharist on Sunday. If a Sunday is missed, then the person needs to go confession prior to receiving it again the following Sunday. The Sequence proclaimed today echoes the words of Saint Paul who says this sacred food can have different effects depending on how it is received. For those who are not adequately prepared it will bring judgement and condemnation. It can give life or death depending on whether the person is in a state of grace. So, the person needs to be in a state of grace for the benefits of the Eucharist to take place. Some people are confused about why they do not feel anything happening while they partake in the Eucharist. They must take a closer look inside themselves, because perhaps they are not receiving the Eucharist for their benefit but for their detriment. They don't feel anything because they are not receiving it worthily. The effects here mentioned are for those who receive the Eucharist worthily and frequently. The Eucharist as mentioned in the Sequence is food for the journey. The Eucharist strengthens the will to do good and avoid doing evil, as the person is walking in this world toward heaven. The Eucharist sustains and it enables the person to act in a moral matter by strengthening the will. The Eucharist (well-received) helps a person to have more patience in life. Many people struggle with patience in their lives, and it manifested in many ways, mainly anger and frustration. The Eucharist helps the person to have more patience by increasing the amount of love for others. There is a beautiful song that says "Ubi Caritas Est Vera" which means "Where there is God there is true charity." Where God dwells, charity (which includes patience) grows. When God comes in to dwell in the person through the Eucharist, charity for others grows. Impatience is diminished. It is fitting that this is one of the songs that can be sung during Holy Thursday Mass. Another benefit closely related to the previous one, the Eucharist helps a person offer forgiveness.

Como católicos no debería haber una explicación convincente de por qué la Eucaristía es la Presencia Real, pero desafortunadamente hay quienes continúan afirmando ser católicos que han dejado de creer, así que aquí hay una apología (una presentación y defensa) para recordar a todos sobre los beneficios de la Eucaristía. Antes de hablar de los beneficios es importante recordar que hay quienes se acercan esporádicamente a la Eucaristía. No deberían recibirla, porque el mandamiento de la iglesia es recibir la Eucaristía el domingo. Si se pierde un domingo, entonces la persona debe confesarse antes de recibirla nuevamente el domingo siguiente. La Secuencia proclamada hoy se hace eco de las palabras de San Pablo, quien dice que este alimento sagrado puede tener diferentes efectos según cómo se reciba. Para aquellos que no están adecuadamente preparados, traerá juicio y condenación. Puede dar la vida o la muerte dependiendo de si la persona está en estado de gracia. Por lo tanto, la persona necesita estar en estado de gracia para que los beneficios de la Eucaristía tengan lugar. Algunas personas están confundidas acerca de por qué no sienten que nada sucede mientras participan en la Eucaristía. Deben mirar más de cerca dentro de sí mismos, porque tal vez no están recibiendo la Eucaristía para su beneficio, sino para su detrimento. No sienten nada porque no lo están recibiendo dignamente. Los beneficios aquí mencionados son para aquellos que reciben la Eucaristía digna y frecuentemente. La Eucaristía, como se menciona en la Secuencia, es alimento para el viaje. La Eucaristía fortalece la voluntad de hacer el bien y evitar hacer el mal, como la persona que camina en este mundo hacia el cielo. La Eucaristía sostiene y capacita a la persona para actuar de una forma moral fortaleciendo la voluntad. Otro beneficio de la Eucaristía (bien recibida) es que ayuda a la persona a tener más paciencia en la vida. Muchas personas luchan con la paciencia en sus vidas, y se manifiesta de muchas maneras, principalmente ira y frustración. La Eucaristía ayuda a la persona a tener más paciencia al aumentar la cantidad de amor por los demás. Hay una hermosa canción que dice "Ubi Caritas Est Vera" que significa "Donde hay Dios hay verdadera caridad". Donde Dios habita, la caridad (que incluye la paciencia) crece. Cuando Dios entra para habitar en la persona a través de la Eucaristía, crece la caridad hacia los demás.
