FATHER'S CORNER FATHER JOSE

The ticket to heaven is a life of mission. When a person does not deem earthly things important and is able to get out of their comfort zone to bring good news to others, that person is on the way to heaven. Their names are starting to be written in heaven. The mission, however, is not easy. Satan does not want for more souls to be won over for Christ. Every soul won is a fall for the enemy as stated the enemy is seen crashing down because more people are saved day by day. Satan will do anything to retain others under his power including using some people who supposedly are close to God but reject the mission. Jesus reminds his disciples there will be towns and places where there will be opposition. The disciples are called to move on from there but not first shaking the dust of their sandals. There will be those who are not receptive and it's time to move on. And yet there will be those who will be open, and every soul saved, the "pen" in heaven keeps moving and the name keeps on being written. Nothing on this earth really matters. All is passing. So, it is time to active in the service of the gospel and start outreaching others, touching their lives with the comforting message of the Gospel. May the Lord increase from 72 Sent by a thousand or even more. May there be an army of missionaries marching their way unto heaven through evangelization.

LA ESQUINA DEL PADRE JOSE

El boleto al cielo es una vida de misión. Cuando una persona no considera importantes las cosas terrenales y es capaz de salir de su zona de confort para llevar buenas noticias a los demás, esa persona está en camino al cielo. Sus nombres están empezando a escribirse en el cielo. La misión, sin embargo, no es fácil. Satanás no quiere que más almas sean ganadas para Cristo. Cada alma ganada es una caída para el enemigo, como se ha dicho, se ve al enemigo derrumbándose porque hay más personas se salvan día a día. Satanás hará cualquier cosa para retener a otros bajo su poder, incluyendo el uso de algunas personas que supuestamente están cerca de Dios para rechazan la misión. Jesús les recuerda a sus discípulos que habrá pueblos y lugares donde habrá oposición. Los discípulos están llamados a seguir adelante desde allí, pero no primero sacudiendo el polvo de sus sandalias. Habrá quienes no sean receptivos y es hora de seguir adelante. Y, sin embargo, habrá quienes estarán abiertos, y cada alma salvada la "pluma" en el cielo sigue moviéndose y el nombre de la persona evangelizando se sigue escribiendo. Nada en esta tierra permanece para siempre. Todo es pasajero. Por lo tanto, es hora de participar activamente en el servicio del Evangelio y comenzar a alcanzar a los demás, tocando sus vidas con el mensaje reconfortante del Evangelio. Que el Señor aumente de 72 enviados a mil o incluso más. Que haya un ejército de misioneros marchando hacia el cielo a través de la evangelización.
