THE MOST HOLY BODY AND BLOOD OF CHRIST

The **Solemnity of the Body and Blood of Christ** (or in Latin *Corpus Christi*) commemorates the institution of the Holy Eucharist. This feast calls us to focus on two manifestations of the Body of Christ: the Holy Eucharist and the Church.

The feast was introduced in the late 13th century to encourage the faithful to give special honor to the institution of the Holy Eucharist and to the Blessed Sacrament. Today the feast is commonly used as an opportunity for public Eucharistic procession, which serves as a sign of common faith and adoration. Our worship of Jesus in His Body and Blood calls us to offer God our Father a pledge of undivided love and an offering of ourselves in service of others.

This feast of Corpus Christi is a moveable feast, which means that it depends on the date of Easter Sunday. Corpus Christi is celebrated on the Thursday following Trinity Sunday or, as in the dioceses of the United States, the celebration is transferred to the following Sunday. This year, the feast is celebrated on Sunday, May 29, 2016.

STEWARDSHIP SPOTLIGHT - MOST HOLY BODY AND BLOOD OF CHRIST

My wife and I are Hospital Ministers of Holy Communion. About once a month after 9:00 mass we collect the Blessed Sacrament from the tabernacle and visit about 20 patients at Shands Hospital. It can be a challenging, yet extremely fulfilling, experience. We witness the joy, peace, faith, and healing experienced by patients who receive the Body of Christ in their hospital rooms, some of whom may not leave the hospital alive. It is a deeply spiritual experience for us, as well as for them. I highly recommend this ministry to all who are medically inclined. Feel free to contact me about this (the parish office has my contact info).

However, that is not the real reason for this post. After mass we transport the Blessed Sacrament to the hospital, and there is usually some that we return to the tabernacle when we are finished. When we are en route, I am conscious that in my pocket I am carrying the body of Jesus in a pyx (a small metal container). I often think to myself, "I should avoid my usual vices at this time because I am bearing Christ on my person." My family knows what I am referring to! For example, I would feel particularly bad if I cursed someone who pulled out in front of me driving to or returning from Shands. I believe that most people would say, "I know what you mean. I'd try to be on my best behavior under those circumstances, too."

Then it occurred to me – when we receive the Precious Body and Blood at Communion at mass, Jesus is body, soul, and divinity in us. Yet how many of us put on the same appropriate self-consciousness that I referred to above? Does Jesus wear out in our bodies? Is there a half-life for his real presence within us (sorry for the science reference – that means how long it takes for something to decay away to half of its previous level)? Of course not!

If only we would not take for granted the immense gift and obligation we receive when we accept Jesus' real presence into our lives via the Eucharist. How different would our lives be. If only the entire Church would put on this disposition after every mass, how much would we witness to what we profess and then change the world.

"Where's the stewardship connection?" you may ask. Stewardship is "the activity or job of protecting and being responsible for something." When we have received Jesus into our lives and bodies, we are stewards of his presence.

"Lord Jesus, you gave of yourself completely for our salvation, and you renew this gift at every celebration of the Eucharist through your Precious Body and Blood. Open my mind, my heart, and my soul with the gift of your Spirit to the totality of your presence in me. May I be forever transformed by your real loving presence in my body and be a true witness to you through this sacrament. Amen."

Paul Gulig, Chair of Stewardship Committee

FROM THE JUSTICE AND PEACE COMMISSION

"The Christian message does not inhibit men and women from building up the world, or make them disinterested in the welfare of their fellow human beings: on the contrary, it obliges them more fully to do these very things."

- *Vatican II, Gaudium et Spes, 34*

"Even the weakest and most vulnerable, the sick, the old, the unborn and the poor are masterpieces of God's creation, made in his image, destined to live forever and deserving of the utmost reverence and respect."

- *Pope Francis*
