### STEWARDSHIP SPOTLIGHT - THE TRANSFIGURATION OF THE LORD

August 6, 2017

Congratulations Summer Graduates! This past Friday and Saturday the University of Florida held commencement for the summer graduates (although some Santa Fe College students finished their studies, too, Santa Fe does not hold summer commencement). The parish and student center celebrate our students' accomplishments and pray for God's blessing upon them as they move forward in their lives. We will miss those who are leaving Gainesville.

A message for the graduates: We are proud to have been a part of your life during your studies in Gainesville, and we hope that you have found our faith community to be a source of strength, fellowship, and spiritual growth. Please keep St. Augustine's in your life after you leave. Although many students have enriched our faith community with their time and talent, many, if not most, find it difficult to financially support us during their time here. As you move forward in your career, please consider paying it backward with financial contributions to the parish and student center to help us continue to provide the same spiritual and social home to the students who will follow you. Perhaps you can suggest to your parents that they make a significant contribution while they visit for commencement.

To our parishioners: The witness that these graduates give to us and the academic community and the fact that they have continued to grow in their faith during their studies are testaments to what St. Augustine's is all about. We are sending faithful and enthusiastic young people out into the world, and their experiences here will make it a better place wherever they go. It takes significant resources to run the parish and student center. Please be generous in your support to help us continue to be the spiritual home for the Catholic students, faculty, staff, and community.

Chair, Stewardship Committee and Parish Council

Fatima’s message is more urgent now than in 1917! We seek to follow Our Lady’s admonition to “Pray! Pray! Pray”, especially the Rosary. She said to spread the message so it will gather a mighty army of faithful prayer warriors who will assist her in fulfilling God’s plan for peace to reign in our war-torn world.

Prayer services on the 13th day of each monthly appreciation during the 100th anniversary year. St. Madeleine Parish in High Springs
