## ST. AUGUSTINE'S SPOTLIGHT JANUARY 13, 2019 THE BAPTISM OF THE LORD

Welcome new students, faculty, and others. Welcome back, current parishioners, to a new year. Whether you are new or a current parishioner, the question/challenge is *Are you a visitor or a member?*

A visitor is someone who, while either passing through town or even living here, occupies a seat in church for about an hour on Sunday and is not connected to the faith community of the parish and student center. Visitors do not support or participate in our faith community's missions.

A member is someone who participates in and supports the mission of the parish and student center, investing more than just an hour a week in the pews to enrich their spiritual, community, and social lives via the numerous liturgical, educational, community, and social programs offered by St. Augustine's. Take a look at the parish/student center web page ([www.catholicgators.org](http://www.catholicgators.org)) and bulletin for details. It is the goal of St. Augustine's to be a vibrant faith community of members, not disconnected visitors. Our mission is to bring Christ to the campus and the campus to Christ.

If you are not currently a registered member of the parish, please go online and complete the registration (<http://www.catholicgators.org/parish-registration>).

A special note to students: You have the opportunity to participate in not only the student center student-oriented ministries and activities, but you are also called and invited to be full, active members of the parish. St. Augustine's is going to be your spiritual home for at least nine months of the year. We invite you to participate in all of our activities and serve in our numerous ministries ([www.catholicgators.org/ministries](http://www.catholicgators.org/ministries)).

The new year is a time to examine our lives and relationships, especially with regard to St. Augustine's. *Are you going to be a visitor or a member?*
