St. Joseph Middle School Work Day - October 25

Christ's mission was to love and serve. As Catholics it is ingrained in everything we do as the St. Joseph Parish Family. This fall, the St. Joseph Middle School would like to offer raking and yard cleaning services to members of the parish. They will provide the rakes, the lawn bags, and the energy of youth to free your yard of leaves. The work day is scheduled for the afternoon of **Wednesday, October 25th**. With limited spaces available, we will be prioritizing those who need the extra help this fall. Don't hesitate to call if you are interested. Please contact Deacon Jeff Volker at 319-377-4869 by Wednesday, October 18th.

Pray for our local pregnancy help centers: for those who answer calls from women considering abortion, those who provide ultrasounds, and those who personally help mothers prepare to parent or place for adoption.

Marriage Enrichment

Saint Pope John Paul II said: "It is important that you are a person of faith and prayer."

A strong prayer life helps us attune to the presence of God in our lives. To become accustomed to his divine company, speaking humbly and conversing with him all the time, at every moment... especially in times of temptation, suffering, aridity, weariness, even infidelity and sin. "These adorations must be made by faith, believing that God is truly in our hearts, that we must adore, love and serve him in spirit and in truth."

While individual prayer is a good habit to develop and commit to, prayer with your spouse is also important. In doing so, you enrich and strengthen your marriage. Likewise incorporate the entire family into a habit of prayer. A good place to start is praying the rosary together as a family. Take turns leading a decade.

In your prayer life, remember God always answers our prayers. His response may not always be what we expected or wanted, but he always grants us exactly what we need. Pray for the grace to persevere in prayer, with the confidence that God hears and answers our prayers.

Transportation is needed for the meal on **Monday, Oct. 9th**. The volunteer transporter will leave St. Joe's at 4:30 PM to ensure dinner is delivered by 5:00 PM.

Legacy Corner

Did you know that, for purposes of estate taxation, there is no limitation on the size of a charitable gift that you may give to your church at the time of your death? No matter how large, the gift is deductible for estate tax purposes. If you would like more information about leaving a legacy gift to St. Joseph, contact Doug Brock at 319-377-4869. If you would like information about gift planning, please contact our planning partner at the Catholic Foundation at 563-552-0176 or CFAD@OurCFAD.org.

Respect Life Month—Last weekend, I published the first half of a letter written in observance of Respect Life Sunday/Respect Life Month composed by Bishop Michael Burbridge, the Chair of the Committee for Pro-Life Activities of the United States Conference of Catholic Bishops. Please find below the second of two parts of his letter.

... Our parish-based and nationwide initiative, [*Walking with Moms in Need*](#), for example, provides easy-to-follow, step-by-step instructions to help transform our parishes into places of welcome, support, and assistance for pregnant and parenting mothers facing difficulties. Melissa, a [*North Carolina mom*](#) with young children and a busy job, attended a parish informational session for *Walking with Moms in Need*, thinking she might help out here and there. But she felt the Lord's call and "by the end of the session she had volunteered to be the ministry's coordinator." Her parish now holds "Hand Up Days" once a month during which families can "shop" free of charge for baby and toddler items they need that have been donated by parishioners.

Melissa shared some powerful words of encouragement: "I think for too long we have been comfortable leaving the work of accompanying women in crisis situations – pregnant or parenting – to others in the nonprofit and government sectors. It is very clear in the Gospel that this is our job — all of us! A woman in a pregnancy center once told me that most women considering abortion are wrestling with a financial matter less than \$250 and that has really stuck with me. If we can lighten the burden just a little, what a difference we can make — it is literally life or death."

God has given each of us particular gifts, and with those gifts He entrusts us with a role and duty within the Body of Christ. Embracing an attitude of radical solidarity calls us to honestly reflect on some challenging questions and to consider specific actions we can take to foster an authentic culture of life. Some questions we might ask ourselves could include: *Do I know what efforts are happening in my area to help women who are pregnant or parenting in difficult circumstances? What are the needs? What are my gifts and talents? How can I adjust my schedule or budget to assist efforts to help moms in need and their children?* Radical solidarity can be lived out in countless ways, including volunteering at your local pregnancy center; helping an expectant mother find stable housing; babysitting so a mom can work or take classes; providing encouragement and a listening ear to a mom without a support system; or speaking to your pastor about beginning *Walking with Moms in Need* at your parish.

In addition to enshrining pro-life laws and policies, the transformation of our culture also requires continual conversion of our *own* hearts, so that we can recognize in every person the face of Christ and place their needs before our own.

And so, this October, I invite all Catholics to think about building a culture of life in terms of radical solidarity. We are the Church. Our prayers, witness, sacrifices, advocacy, and good works are needed now, more than ever. We are the hands and feet of Christ in the world today and we each have a personal responsibility to care for one another.

For more information on how to celebrate Respect Life Month and stand in radical solidarity with moms in need, please visit respectlife.org/celebrate.

October Count—The annual count of Mass attendees throughout the month of October begins this weekend. The data collected will be used by the archdiocese for pastoral planning and priest assignments. The archdiocese takes this seriously. We are at a point with the number of priests in the archdiocese that these numbers help form a critical mass of data regarding determining how the services of priests are best utilized throughout the archdiocese.
