**Faith in Our Future**—is the name of the group that is working on the upcoming capital campaign being planned for St. Joseph. This group has an invitation for you.

Over the years, our parish has worked to implement an ongoing evangelization plan, there are dynamic faith formation programs serving the youth and adults of our parish, and our staff has grown. We want a spiritually alive and inviting parish.

Why a capital campaign? The parish needs to evaluate and invest in its facilities to continue to serve parishioners in the best way possible to fulfill our mission. There are many infrastructure needs in our facilities, such as HVAC systems, that need to be addressed due to their age and loss of functionality. Our buildings are showing their age and we need to make sure they continue to serve our parish in the best way possible. We not only want to improve the appearance of our buildings, but also make them more functional to better address both our current and future needs.

Part of the process to prepare for a capital campaign is to invite parishioners to share their thoughts regarding improvements to our facilities. We ask you to participate in one or more focus group meetings to consider how our facilities can and should be improved. Think globally about our property and all the buildings on it—the church, school, office and rectory. Consider the traffic flow and the parking lot. Think about Fun Days and what is needed in terms of the facilities and physical outlay of our property to continue to make it successful. Dream, but yet be realistic.

The Focus Groups will be meet in one hour sessions that will be conducted in October. Watch the bulletin and listen for announcements at Mass for further details.
