Office Hours: Weekdays, 8:00 AM-7:00 PM (Closed Noon to 1:00 PM) Sat.-Sun., 8:00 AM-Noon

DISTRIBUTION OF BLESSED ASHES WILL OCCUR AT THE FOLLOWING LITURGIES:

ASH WEDNESDAY MASSES: 8:00 A.M., AND 6:30 P.M.

CELEBRATION OF THE WORD SERVICES: 6:30 A.M., 12:00 NOON AND 5:00 P.M.

Blessed ashes are a sign of conversion, penance, fasting, and human mortality.

With the season of Lent beginning this Wednesday, February 18, please take a moment to review the following Lenten Regulations.

Abstinence from meat on Ash Wednesday and the Fridays of Lent (for those 14 and older) is required by Church law. Also, Ash Wednesday and Good Friday are fast days: those between the ages of 18 and 59 should eat less, meaning, take no solid food between meals and only one full meal that day. Serious reasons such as one's health can excuse a person from these rules.

Pastors and parents are encouraged by the law of the Church to see to it that minors who are not bound by the law of fast and abstinence are educated in an authentic sense of penance.

Following the implementation of the revised Code of Canon Law on November 27th, 1983, the National Conference of Catholic Bishops in the United States determined that the rules of fast

The United States Conference of Catholic Bishops' (USCCB) website offers many options and ideas for Lent. Visit www.usccb.org/prayer-and-worship/liturgical-year/lent/. Some topics are Lenten Audio Retreats, Lent Calendar, Lent Videos, Rediscovering the Sacrament of Penance, Seven Penitential Psalms & the Songs of the Suffering Servant, Six Ways to Evangelize during Lent, Ten Things to Remember for Lent

and abstinence which have existed for the last several years in this country be maintained; namely, that the faithful must observe suitable penitential practices on all Fridays throughout the year. These penitential practices need not include abstaining from meat. However, as indicated above, the faithful must not eat meat on all the Fridays of Lent as well as on Ash Wednesday. They must also observe faithfully the fast regulations as they have been stated above in accord with the universal law of the Church. (Cf. Code of Canon Law, Canons 1250-1252.)

STEWARSHIP CORNER

WHAT IS STEWARDSHIP?

STEWARDSHIP

*Using the gifts God has given us
to do the work God is calling us to do.*

Romans 14: 7-8

None of us lives for oneself, and no one dies for oneself. For if we live, we live for the Lord, and if we die, we die for the Lord; so then, whether we live or die, we are the Lord's.

WHAT DOES IT MEAN TO LIVE THE STEWARDSHIP WAY OF LIFE?

The Stewardship way of life is a biblically based Catholic spirituality. Living each day as a good steward means answering our own personal call from Jesus Christ to be his disciple; following his example of loving service to others

In 2015, the Stewardship Committee at St. Martin de Porres will be highlighting different ministries in this "Stewardship Corner" who exemplify and live a stewardship life—ministries where people are sharing their time, talents, and/or treasure with the parish & community.

FISH FRY DELIVERIES TO THE HOMEBOUND

The Saint Martin de Porres Outreach

Ministry and the Knights of Columbus will once again be sponsoring the **"Friday Night Fish Fry Dinner Deliveries to the Homebound"** during the upcoming Lenten season.

We want to make sure that we don't overlook anyone in our parish community who would enjoy being involved in this program, so we're reaching out to all of our parishioners to **help us identify** anyone who cannot leave home, but would enjoy a hot fish dinner each week during the Lenten season at no cost.

Please let that person(s) know about the program and contact us with their information so we can follow up as soon as possible.

Also, if anyone would like to volunteer a little bit of their time to help us deliver these dinners we'd appreciate that as well.

Thank you in advance for your prompt attention to this matter and God Bless.

GUEST SPEAKER

Fr. Peter Prusakiewicz

A Most Holy & Precious Gift ...God's Divine Mercy!

Fr. Peter (Piotr) Prusakiewicz, CSMA, of the Congregation of St. Michael the Archangel in Poland is regarded as a world renowned expert on Divine Mercy and the Holy Angels.

Father Peter was ordained a priest on May 23, 1990. By God's providence, from 1993 – 1996 he served as chaplain to the Congregation of the Sisters of Our Lady of Mercy in Warsaw where St. Faustina began her religious life. This was one of the most treasured periods in his life. He learned much about her character, trials, spiritual battles and the revelations given to St. Faustina in her writings from the sisters who were still alive and knew St. Faustina personally.

This humble and delightful priest will share his personal journey of how God led him to the priesthood and ultimately to his international ministry proclaiming God's love and healing through Divine Mercy and devotion to the Holy Angels. This ministry has enabled him to carry out the request of St. Pope John Paul II to "help spread the urgent message of God's Divine Mercy!"

At present Fr. Peter serves as editor of *The Angels, Messengers from a loving God* magazine and the Polish magazine "Who is Like God". He is also the General animator of The Knighthood of St. Michael the Archangel and has appeared on EWTN.

Californians Against Assisted Suicide Coalition Statement On New Senate Bill

There are no assisted suicide “safeguards” that can ever protect those most vulnerable in society, particularly in a state as diverse as California.

Sacramento, CA - A diverse, bipartisan coalition is once again prepared to educate, advocate and defeat legislation that will permit assisted suicide in California. In this state, there is a long history of disability rights, medical professionals, hospitals, faith-based organizations and ethnic communities joining together against assisted suicide. Last year, similar coalitions helped reject bills in Massachusetts, Connecticut, New Hampshire and another is currently stalled, facing bipartisan opposition in New Jersey. Oregon-style assisted suicide bills were defeated in California in 2006 and 2007.

Nothing in the Oregon-style assisted suicide model can protect from the pressures to commit suicide or personal fears of “being a burden.” Further, six-month diagnoses are arbitrary standards; nothing prevents these laws from being expanded to include individuals with longer prognoses or people “suffering” from other illnesses or disability.

“Assisted suicide is a direct threat to those who are viewed as a significant cost liability,” says Catherine Campisi, PhD, former Director of the California Department of Rehabilitation appointed by former Governor Gray Davis, noting some of the reasons disability rights organizations oppose assisted suicide. “By adding assisted suicide to the suite of treatment options available, it becomes the cheapest option available and makes it easier for implicit and explicit pressure to be levied on the most vulnerable.”

There are no assisted suicide “safeguards” that can ever protect those most vulnerable in society, particularly in a state as diverse as California. These are just some reasons why there is such a broad, bipartisan coalition formed to aggressively advocate against this bill.

For more information on the coalition please go to: www.NoAssistedSuicideCA.org

Californians Against Assisted Suicide is a coalition of disability rights, healthcare, civil rights and patient advocacy organizations dedicated to preventing legalization of physician assisted suicide in California.

DIALOGUE & ENCOUNTER COMBAT EXTREMISM

Recent events remind Catholics of our commitment to engage in dialogue, not just with Muslims, but with all people of differing religious beliefs. In this 50th anniversary year of the Vatican II Declaration *Nostra Aetate*, we remember our call to “recognize, preserve and promote the good things, spiritual and moral, as well as the socio-cultural values” found in other religions (*Nostra Aetate*, no. 2). In the wake of violence, Auxiliary Bishop Robert McElroy of San Francisco reminds us that “we continue to labor for greater understanding and mutual commitment to peace and religious freedom.”

The Bishops' Committee on Ecumenical and Interreligious Affairs affirmed the teachings of *Nostra Aetate* in the document “Dialogue with Muslims,” released in August 2014. The bishops expressed their conviction that “encounter and dialogue with persons different than ourselves offers the best opportunity for fraternal growth, enrichment, witness, and ultimately peace.” As the world mourns violence under the guise of religious fundamentalism, it’s important to remember our teaching and recommit ourselves to the transforming power of dialogue and encounter.
