A large wooden cross stands on a grassy hill. In the background, a city is visible at sunset, with the sun low on the horizon, casting a warm glow over the scene.

Jesus endured the cross,  
despising its shame,  
and has taken his seat  
at the right of the throne of God.

2019

ST. MARTIN DE PORRES CATHOLIC CHURCH

# SEPTEMBER 27 -29, 2019

## Silent Auction

Oktoberfest is around the corner. As part of the event, we will include a silent auction to raise funds for the numerous community service and outreach programs benefiting both our parishioners as well as our surrounding community. This is our church's largest fundraiser of the year. Please partner with us and make this event a great success!

We are requesting donations of gift certificates, merchandise or services, airline tickets and time shares. We are a non-profit organization and therefore, your donation is tax deductible. We will gladly pick up your donation, or it can be dropped off in the Parish Office. Our address is listed below should you want to mail the donation.

We ask all items to be in the Parish Office by Sunday, September 15, 2019. Please include your name and address with your donation.

**St. Martin de Porres Catholic Church**  
**Attention: Silent Auction**

**Yorba Linda, CA 92886**

## Water Bottle Donations

Can you donate a case of water? We will be collecting cases of bottled water during Oktoberfest sign-ups the weekends of September 7-8 and September 14-15. This water will be used to hydrate our volunteers during Oktoberfest weekend. Just bring the water with you to Mass on the above weekends and we will collect at the door. Thank you for your generosity.

## Food Donations

With Oktoberfest expenses rising, donations are one way we can improve our bottom line. This was a huge success last year and it gave families the ability to give, even in small amounts. If we all pull together, we can make a difference. This year, we are asking for donations of specific, non-perishable food items. We have listed the items below. Please contact [oktoberfest@smdpyl.org](mailto:oktoberfest@smdpyl.org) for specific quantities and details.

- 6- 1 gallon bottles buttermilk ranch dressing
- 6- 1 gallon cans spaghetti marinara sauce
- 12- gallon cans chili con carne, no bean

*"In a world where there is so much noise, so much bewilderment, there is a need for silent adoration of Jesus concealed in the Host. Be assiduous in the prayer of adoration and teach it to the faithful. It is a source of comfort and light, particularly to those who are suffering.—Pope Emeritus Benedict XVI*

## Increase Your Devotion, Pray the Rosary With Us

Our parish continues to grow in so many ways that fill me with deep joy and gratitude. I am so humbled to be a part of God's work as your priest here at St. Martin de Porres. I know God is blessing us because we bless God with our adoration of the Blessed Sacrament. I believe we are ready now to bless God more with an increase of devotion to the Blessed Virgin Mary, the Mother of His Only Son Jesus and our Mother. To do this, I am organizing the praying of the Holy Rosary before Masses every Sunday. Starting in the middle of August, I invite you to come to Mass early so that we can pray the Holy Rosary together before Mass. I have no doubt that we will please God as we practice this beautiful Catholic devotion together. May our Mother Mary intercede for us.

Father Sy Nguyen

# Faith Formation & Worship

One morning last April, I set out to speak with the RCIA team about something I was already quite resolved to do, become Catholic. Ironically, I was quite sure that I was going to walk out of my first meeting freshly sprinkled in Holy Water and instantaneously a full fledged Catholic. Never did I once think that I would be immersing myself in Mass every Sunday, performing several apostolic works, receiving a whole lot of public attention, and living through a set of intensely profound experiences with both equally interesting and selfless people. One of those people was my sponsor, an assigned friend who became a great friend, and by the grace of God, my Godfather.

So while it was nothing that I expected, it was everything that I needed. I am so very proud to be Catholic, because the RCIA program at Saint Martin's showed me what that really means. -Steve Hill

August 18: 10 Commandments  
(In St. Matthew Room)

August 25: Jonah and the Whale  
(In St. Matthew Room)

**Kid's Quote of the Week:** One of our 5 year old girls came to Sunday School class with a cute blue veil pinned on top of her head. An array of clips were used to hold her hair in place and obviously her own work. When asked why she chose a veil to wear she said, "I wanted to be beautiful like Mary." How great our world could be if all woman desired to rest in Mary's example. Ella Wood

**Children's Liturgy of the Word** serves 1st through 4th Grade. No registration is required! CLW is closed for August and September and will reopen October.

**Adult and Teen Volunteers** are desperately needed for the Fall programs. Through these programs, our children are offered the beauty of the Catholic faith while being in community with their peers. Prayerfully consider serving one Sunday a month in one of the ministries above. It is because of the generous hearts of our parishioners that our parish can offer these ministries.

## Bequest from Emil Vena Benefits Several Santa Ana Families in Need

Because of a bequest from Emil Vena, long time St. Martin parishioner, the Parish is able to provide financial assistance for parish schools in poor Diocese of Orange communities. We just received a very comprehensive response from St. Anne Parish

School in Santa Ana. The letter from Sister Teresa is 3+ pages, but worth the read. It's enlightening to read what these family go through for a Catholic Education. Read the heartwarming letter from Sister Teresa on the next few pages

SAINT ANNE PARISH SCHOOL

July 16, 2019

Dear Father Sy,

The timing of this very generous donation of \$20,000 from the estate of one of your long-time parishioners which will assist needy families came at just the right time. During July many of our parents are making the decision to return to Saint Anne's for another year or are just coming to our school. Because 80% of our families struggle financially and need tuition assistance, we work with the diocese to give as much help as possible. Sometimes our families cannot afford our tuition of \$5,250 per child, even with this help. This \$20,000 will help 13 families afford our tuition and 31 children continue at Saint Anne School. Thank you!!! Thank you for thinking of us here in Santa Ana! Let me tell you now about the families you are helping through this most generous donation:

**Mota Family: \$2,500**

This is a family of five girls, 3 who now attend Saint Anne School. At the beginning of last year they were homeless, living in a motel until one of our board members and myself went to see them in the motel. We were able to find housing and encouraged them to bring their girls to Saint Anne School, which they did. Audrey graduated at the top of her class last year and is now receiving a very large scholarship to Mater Dei High School, her other sisters, Alexandra will be in Grade 7, Ruby Grade 2, and their youngest is repeating Kindergarten. They have found a second home at Saint Anne's.

**Segovia Family: \$2,000**

This is a family of a single mother who never married but who adopted two sisters, one in First Grade and the other in Second grade. This mother works minimum wage, receives no additional help for the two girls who would have been separated and in foster care. They are both happy, beautiful girls who are now well adjusted and feel loved and at home in our school.

**Caluag Family: \$1,000**

This is a single mother with a daughter going into Fifth Grade. The mother was involved in a very serious accident last year and is still struggling to get back on her feet. She is the only bread winner and struggles financially because of the car accident. Isabella is a good student who works hard to help her mother and do well in school.

**Parra Family: \$2,000**

This is a family of six, mom and dad and four children. The oldest daughter is attending a community college in Santa Ana, the first in her family to go to college, the other three children are going into Second Grade and Kindergarten, and there is a new baby. The dad often rides a bike to work as they have one car which the mom uses. The dad is a hard working man who gets jobs whenever he can.

**Rivera Family: \$2,000**

This is a family made up of a mom and dad and four children. The oldest will be an 8th grader, an A+ student who will be in our Advanced Math class that I will teach this coming year, and a 4th grade boy, also an excellent student, and this year they will be sending their 3 year old daughter to our Preschool for the first time. This is a very faith filled family, the mom is an alumni of the school, and they value Catholic education and have seen what it has done for Andrew and Max, their two sons in our school, but with four children and now the tuition for three children it would be impossible for them without this help this year.

**Ramirez Family: \$2,000**

This is a single mother of three children, one in Mater Dei High School with a 4.0 grade average, the oldest boy will be in Grade 8, also an A student with a 12.9 grade equivalent in language arts, and the youngest will now be in Kindergarten. The mother is struggling financially as she is working in a restaurant three full days a week at minimum wage and although she tries to pick up any other times offered to her, it is not enough to pay the tuition of Mater Dei High School and Saint Anne School. She is always behind in tuition, although she makes payments all the time. We are working with Mater Dei High School to try to lower that cost as well as we know that with a Mater Dei education, Amy will be able to help her mother out of poverty once she graduates from college.

**Pacho Family: \$2,000**

This family has three children, one in college, one going into Grade 8, and a new student in our Transitional Kindergarten and a mom and dad. The mother is very involved with the school and works at our monthly food sales after all the Masses on the first Sunday of the month. Last year she lost her job and although she has a new one, it does not pay as much as the previous one. This family had decided not to enroll the youngest one because of the financial strain it would put on their family, but with this generous donation, the mother said she is able to bring the little one.

**Colindres Family: \$1,000**

This is a single mother of 4 children, two of them adults, one in high school, and the youngest in our 8th grade. Estella came three years ago when her brother brought the mother to our school to register them (he thought you just signed up and had no idea there was a cost involved). I met them at the door and was so impressed with them that I got their address. When they did not return the next week I went to go see them in their one bedroom place in Santa Ana, where the kitchen, sleeping beds, and everything was in the living room. The grandparents had the only bedroom in the house and they ate outside under a tarp. I have done everything I could to make sure that Angel and Estella came here as this is a very faith filled family whose mom attends Mass almost every day and works as a house cleaner.

**Uribe Family: \$2,000**

This is a family of a mom and dad and 6 children. They live in a two bedroom apartment in Santa Ana. They have one car and a bike for the dad to ride to work (given by the school). Until last Christmas the boys slept on the floor. The oldest one is working now and in the community college, the oldest boy just graduated, the second oldest boy is in Grade 7, and they have two twin girls in Grade 4, and a little one going into Kindergarten. This is another faith filled family who are involved in our church and are grateful for any help we can give. At Christmas this is one of the families that receive gifts and food from charities that help our neediest families.

**The Vega Family: \$1,000**

This is a family of a mom and dad and two children. One daughter will now be in Kindergarten and the other will be a 4th grader this coming year. Both parents work and the dad also helps to coach our Volleyball Teams. They struggle financially and that is why they did not have their oldest daughter in our school last year - due to the cost of one more child. But in seeing the wonderful education their youngest daughter received here, they decided this year to also make sure their oldest would receive the same education. We want to help them make that dream a reality through your donation.

**Torres Family: \$1,000**

This is a single mother with three boys. When I first came to the school they were living in a garage in Santa Ana and walking to school as the mother is illiterate and has never owned a car. The oldest boy was in high school and a straight A student but has since graduated and received a full scholarship based on his academic record to San Diego State. A donor gave him a bike and also helped this family last year when they became homeless, living in a motel for a time, and then a single bedroom with another family from our school. They were evicted from the garage by the city, the mom who was a forklifter was injured on the job and let go when she could not do the same work. With help we were able to help her get disability and an assurance that once she had the surgery she needed she could go back to work in the company that she worked in for over 15 years. Until she is able to work again she takes a bus with her two boys, one in Grade 8 and the other in Grade 4, and helps in our Federal Lunch Program.

**Caratechea Family: \$500**

This family is a mom and dad and four children, one is severely disabled and the oldest, the other children are a boy in Grade 6 and a girl in Grade 3 and a new baby. The mom works at Disneyland and also washes cars. The husband does minimum wage jobs. They share an apartment with another family to save on rent which often makes it impossible for Noa to do his homework, thus we began our own 'Homework Club' at school so they can do their homework with the help of a teacher right after school ends. Both are great students.

**Ramirez Family: \$1,000**

This is a brand new family to Saint Anne School. They have two daughters, one in Second Grade and the other going into Preschool. They were on the fence as to whether or not to send them to our school due to the amount they would have to pay monthly, but with this \$1,000 tuition assistance they have agreed they could pay the amount monthly. The Diocese is also paying half of their tuition for this coming year, so now it is manageable for them. I do not have a photo of these children yet.

I am sending you a photo of the children that you are sponsoring this year in the hope that you can let the family know what a huge difference their generous donation is making for families and children. I am also sending a couple of brochures which show what a quality Catholic education we are able to offer here at Saint Anne's School. We are almost fully enrolled now with over 260 students attending our school. We are able to offer amazing academic programs, with current curriculum in language arts, math and science. We have a STEM lab, a robotics club, all the usual sports, an award winning Academic Decathlon Team, Title I Programs for those struggling in Language Arts, Advanced Math, and a band program taught by Mater Dei High School.

On Thursday, December 12th, we would like to invite you and the family making this generous donation to a Mass at 8:30 am and sit with some of the children they are sponsoring. After Mass we will have a luncheon and our band will perform, some of our students will dance Folklorico, and we will be able to thank you for your generosity which is helping a student succeed now and in the future so that their cycle of poverty is stopped in their generation.

God bless and thank you again for your great thoughtfulness and generosity! Be sure of our daily prayer for your intentions.

Gratefully,

Sr. Teresa Lynch, CSJ

## InterParish—Young Adult Fellowship

All young adults ages 18 - 39 are invited to check out InterParish Young Adult Fellowship, a new young adult ministry that meets at St. Martin's, with the purpose of studying and training for mission and outreach to our young adult friends who may be far from Jesus and His Church. Do you have young adult friends who have fallen away from the Catholic faith, or who have never had a relationship with Jesus and the Church? Would you like to learn what the Magisterium of our Church, the saints, and the Scriptures have

to say about the call to missionary activity, including our own Diocese's recent focus on the priority of evangelization? If so, you are welcome to come and check out InterParish any time. We meet the first three Thursdays of the month, and have a special event on the fourth Fridays of the month. Check the parish calendar on the St. Martin's website for updated meeting locations, and email us at [interparish@outlook.com](mailto:interparish@outlook.com) to get on our emailing list with weekly updates.

# St. Martin Soup Kitchen Ministry Up-date

St. Martin's Soup Kitchen Ministry served approximately 188 deliciously prepared meals to our Brothers and Sisters in Christ. Your continued support and dedication to serving those in need is an "amazing" example of Stewardship. You are awesome! God is good!

Now on to the report...

On Saturday, July 20<sup>th</sup> we served chili dogs topped with cheese and onions, our famous "everything but the kitchen sink" salad (which is always a favorite), sliced watermelon, lemonade and ice cream for dessert. It was a perfect menu for a perfect day! We served 85 plates of food to 65 guests. Everyone left with full tummies and warm hearts. Special thanks to our fantastic

team of volunteers. We couldn't have done it without you! Kamy Heyman, the Kierullf's (i.e. Cecilia, Rick, Kristin, Jessica & Katie) and Bill...you all are the best!

On Sunday, July 28<sup>th</sup> it was a warm day but that did not stop us from serving our guests open faced chili dogs with coleslaw, apples & oranges and cookies dessert. We served 80 firsts, 13 seconds and another 10 bowls of just chili beans. Our team worked beautifully together, and the children were especially helpful that day. Everyone went out to the patio and said hello to our guests, and they were all very thankful for the meal and everyone who served it.

The following schedule reflects our 2019 -2020 dates. If you are looking for more opportunities to serve, look for the dates with "Volunteers Needed" noted. If you see a date that works for you, let us know and we will put you on the schedule.

Psalm 16

Magnificat is pleased to welcome **Dr. Cynthia Hunt**, physician, professor and international speaker. In her role as the oldest of a family of 8 children and as a physician for 35 years, she speaks of "self-sufficiency" as being deeply ingrained in her. In her inspiring story, Dr. Cynthia will share highlights of the gradual and very humbling 'transfiguration' Our Lord has been working in her soul. Her spiritual journey has been one of surrender to Jesus and Mary, and a continual amazement at the incomprehensible Love and Mercy of Our Heavenly Father, and the tremendous gifts of the Holy Spirit and the Eucharist. *"I have been blessed with a journey in which Our Lord and His Mother frequently remind me ever so gently that I am a child, a beloved daughter of the Father who needs to be totally dependent on them."*

Dr. Cynthia has been privileged to serve the Catholic Church over the last 12 years in the Exorcism and Deliverance ministry as psychiatric consultant to priests, exorcists and Bishops and is on the Advisory Board for the Pope Leo XIII Institute.

She is a graduate of Loyola Stritch School of Medicine. Her professional experience has included Board Certification in Internal Medicine, Pediatrics and Psychiatry.

An accomplished pianist, Secular Carmelite, she has been blessed with her husband of 27 years and their three children. Come & bring a friend!
