

Welcome!

Dear Parents,

As we say goodbye to St. Dorothy school for the summer, September seems to be a lifetime away. However, we know that "Back-to-School" sales will begin in just a few short weeks. In order for you to be prepared to take advantage of these sales, we are sending home a list of supplies that may be purchased anywhere. (see list on back). Please note that all workbooks need to be covered in CLEAR contact paper. During the first few weeks of school, these books will be sent home for parents to cover with the contact paper.

In addition, in September, the students will need specific items from our Saint Dorothy Stationary Supply. Students will receive these items on their first day of school. These items include a LARGE pencil case, grade specific copybooks, and durable folders. Just a note about the LARGE pencil case: We request these because they fit in the students' desks. *It is not necessary to send in another pencil case/box.*

Again, the above-mentioned school/grade specific items are purchased through our stationary supplier.

In addition, we are also asking that each family help to supply the needed items listed below. The teachers will send home a note in the beginning of the school year with specific directions about when to submit the supplies. We do ask that you do not bring them in on the first day of school. It helps to manage them better if we can stage the time frames when these arrive. We appreciate your cooperation in helping us to keep our classroom stocked with the necessary items.

- 2 rolls of paper towels
- 2 boxes of tissues
- 1 box of baby wipes
- 1 container of Lysol or Clorox wipes
- 1 - 12ct. pack of #2 pencils
- Non-spill plastic (no metal or glass) water bottle - 12-24oz.
- 1 ream (750 sheets) of copy paper (we've found target to be the best price for this)
- 1 container of hand sanitizer

Have a wonderful and relaxing summer. We thank you in advance for your cooperation and look forward to meeting you in September.

Warmly,

The First Grade Teachers
