

AN EDUCATIONAL JOURNEY
GIVING WITNESS TO CHRIST

January, 2026

Dear St. Dorothy Families,

Happy New Year! As we begin preparing for the 2026-2027 academic year, we would like to share some important updates regarding tuition.

Attached you will find the 2026-2027 tuition rates and payment options approved by Father Murphy and the Finance Committee for the Grade School, Kindergarten, and Preschool.

We will continue to offer a 4% discount for full payments made by June 15, 2026. The Monthly Payment Plan begins in April 2026 with 10 payments, and the Semi-Annual Payment Plan has payments due in August and January.

Tuition revenue helps cover the operating expense of the school, primarily faculty salaries. The Archdiocese of Philadelphia continues to recommend salary increases for our exceptional teachers and staff to ensure your children receive an excellent Catholic education in a nurturing environment. School tuition does not fully cover the total cost of educating a student at St. Dorothy School. We are grateful to Home & School and the Development Committee for their fundraising efforts, which support programs, technology, and important building improvements like bathroom renovations, painting, and landscaping.

We understand any tuition increase can be a challenge. Please know St. Dorothy's rates remain among the most competitive in the area, with the lowest grade school tuition for parishioners and favorable rates for non-parishioners

Financial aid is available to help offset costs and we encourage you to apply. Please visit the Admissions section of the St. Dorothy School website at <https://www.saintdorothy.org/financial-aid>. *When applying for financial aid, please list each student, as aid can only be given if the student's name is on the application.*

Thank you for your sacrifices and trust in providing your children a Catholic education. We are committed to their success and well-being, and we pray for your family's continued blessings.

May God Bless You Always,

Father Michael Murphy,
Pastor
