July 24-30 is Natural Family Planning Awareness Week: Natural Family Planning (NFP) Awareness Week coincides with Pope Paul VI's encyclical, *Humanae Vitae* ("Of Human Life"), issued on July 25, 1968, re-affirming and deepening the Catholic vision that every sexual union between spouses should be open to new life.

Natural Family Planning provides an effective method for couples to practice responsible parenthood in way that corresponds to the true language of sexual love. The practice of NFP does not involve the sterilization of the spousal union—an act that objectively contradicts the meaning of their marital embrace—but instead allows couples to be more aware of their fertility each month through the observation of certain physical symptoms. Couples who wish to achieve pregnancy and couples who, for serious reasons, seek to avoid or postpone pregnancy can practice NFP with a 98% success rate, as well as strengthen their marital communication and intimacy.

For more info, including an upcoming schedule of local NFP Classes—as well as on-line and home study opportunities, visit our diocese's Family Life website: www.cdlex.org/family. Next Natural Family Planning Class Series Begins July 31.
