### STEWARDSHIP: A WAY OF LIFE

While it can be tempting to give in to the materialism and calls for self-indulgence that surround us, (ironically more than ever at this time of year), today's first reading calls us back to the spiritual reality that this life is passing and that we are made for eternal life with God. We are called to prepare for *eternal* life by the way that we use our time, our talents and our treasure *now*.

This Advent, let's turn away from any bad habits or sin that may have crept in to our lives and turn our hearts and minds back to Christ. This is what the stewardship way of life is all about —moving closer ever closer in relationship with Christ and imitation of Him, ready to celebrate His birth, with eyes fixed on eternal life with Him.
