Dear Parents and Guardians,

Blessings to you and your families! At St. Edmund Catholic School, we believe that parent involvement is a cornerstone of our strong, faith-filled community. Your participation not only helps us keep tuition costs low, but it also fosters a welcoming and community-building atmosphere for all our families. Volunteering is a wonderful way to get to know other parents, support your child's education, and model the value of service to your children.

As our school continues to grow, so does our need for dedicated volunteer support. Service is an integral part of who we are as a Catholic community, and we are so grateful for the time and talents that our families contribute.

We are so grateful for your ongoing support of St. Edmund Catholic School. Together, through prayer, service, and community, we are building a vibrant school environment rooted in faith and love. If you have any questions or need help finding ways to fulfill your service commitment, please don't hesitate to contact anyone on the Service Hours Committee. We are here to help!

Please see the "Service Hour Opportunity" attachment for a list of service hour requirements, available opportunities, and contact information for the Service Hour Committee members. As always, it's a GREAT day to be a Blue Jay!

Sincerely,

Jamie Manuel
St. Edmund Catholic School
Director of Development
