Third Sunday of Easter | April 18, 2021

HAPPY EARTH DAY - APRIL 22

As Catholics, we are called to:

- uphold life and the dignity of each human person
- support families and future generations
- love the poor and vulnerable
- advocate for basic rights and a just economy
- be in solidarity with all, as one human family
- care for all of God's creation

Grounded in our Catholic Tradition, now is the time to protect the earth for our children and grandchildren.

PRAY to hear God's call to live our faith for the common good, knowing that everything is interconnected.

LEARN how the climate crisis is a profound moral issue greatly affecting the poor and vulnerable.

TELL your local and national leaders to protect creation.

SAINT FIDELIS OF SIGMARINGEN - APRIL 24

Born in Sigmaringen (Germany), Mark Roy studied philosophy and law at the University of Freiburg in Breisgau. After tutoring young aristocrats and traveling Europe with them, he began practicing law in Alsace, where he quickly became "the poor person's lawyer." But, disillusioned over other lawyers' behavior, he gave up the law to follow a vocation in religious life. As an ordained Capuchin named Fidelis, he was renowned for his holiness, preaching and leadership. He was superior at several houses before being invited to eastern Switzerland to call Protestants back to Catholicism. This mission, complicated by the politics of the time and hatred of the Catholic Habsburgs, became increasingly dangerous and led to his murder by opponents. He was canonized in 1746. *Copyright © 2021, United States Conference of Catholic Bishops, Washington, DC. All rights reserved.*
