## JUST THOUGHTS FROM SOCIAL ACTION COMMISSION

The reality is that our current system is immoral. While many may condemn the presence of the undocumented in our land, we willingly accept their hard labor, their contributions to our economy, and their cultural and religious spirit which enriches our local communities. While we accept these contributions, we do so at the expense of the human beings who come here not to harm us but to help us. They are often ridiculed, exploited, and abused. The Social Action Commission will be holding a special Sunday meeting in September to welcome those who may not be available for weeknight meetings. Please join us on Sunday, September 1<sup>st</sup> in the Eymard Room after the 10:00 a.m. Mass (with donuts!) If you would like to receive our emails, please email [spbsocialaction@gmail.com](mailto:spbsocialaction@gmail.com).

**21<sup>st</sup> Sunday in Ordinary Time:** This week's scripture reflection is hard to summarize in a paragraph in the bulletin. With all the challenging issues in our nation at this time, and as I write this the 250<sup>th</sup> mass shooting has occurred in Dayton, I am reminded of the "high and mighty" principles that we each can have that stand in the way of us "bringing forth the kingdom of God." We can hold on to what we think is so important, that in God's eyes is not. We may be "first and best," when in actuality, God invites us to a different way of thinking of life and being around the table in God's kingdom. That's where the letter to the Hebrews

adds some support to the Gospel, saying, "Endure your trials as 'discipline.'" This discipline, these trials, cause us so much pain and worry at times, but "strengthening [our] drooping hands and weak knees" with the Eucharist each week bring us healing and helps us heal the world. That's what inspires me and hopefully all of you, to help us become "first" in God's kingdom.

**Busy summer here at SPB:** We have had the usual busy summer here at SPB. Miss a week, you miss a lot! It's been great to see former parishioners return to participate in our Saint Ann and Eymard Triduums, with folks from New York to Avon! We have had a lot of events in the school, such as invention, enrichment and Bible camps, lots of cleaning, maintaining, and construction on Blue Ribbon Way. We are grateful to all who helped put on these great events and our maintenance staff for working extra hard this summer to ensure a beautiful campus.

Your support of SPB and being an excellent steward helps us offer the spiritual and educational opportunities, plus maintain our beautiful campus. Thanks for your financial contributions that make this all possible, especially to the capital campaign, "Forward in Faith, Hope & Love." Our new bulletin cover and the logo for the campaign reminds us that it is still in progress and we are almost 40% of our goal. Let's get this accomplished and enjoy two more beautiful spaces, the west and east parking lots, especially the west one, which is our playground for our students during the day. For their safety and care, donate today!

**Anniversary of parish Mass:** Next Monday, September 2 is our parish's 66<sup>th</sup> anniversary. We know it's also Labor Day and a national holiday for many but not everyone. For those who are able, why don't we wear our parish colors of green and gold to show our pride and gratefulness to God for our beloved parish and join in the 9:00 a.m. Mass. I can't thank God enough for placing me here, back at my home parish, to be your pastor and serve with you. We have had many taglines, with each of these being our theme for the coming year. Here is one that means so much to me and summarizes our mission of our parish, from day one: enriching minds and nourishing souls to build God's kingdom!

**Honoring Dcn Joe and Fr. Bob – Sunday, September 8:** With the change in the health of Deacon Joe and Fr Bob Chabot, and their move to Regina Health Center with our other religious there, we did not have a chance over the summer to gather, have a special Mass of Thanksgiving and a reception to show our appreciation. Please plan on doing so on **Sunday, September 8 at the 10:00 a.m. Mass** and following with a reception.

**Announcement of "Green Knight to Remember":** Our 2<sup>nd</sup> annual, gala to raise funds for our award-winning school, will honor two great leaders of our parish's history this year: Mike Rossi and Deacon Joe Bourgeois, SSS. Mike, you may recall, served in many school organizations, Athletic Association and was Finance Council Chair for over a decade. He was a leader of the capital campaign that built the Family Life Center and Fr Jette Gymnasium. Deacon Joe began our Helping Hands and Clown Ministries and through his regular participation in the life of the school, has inspired our students to have a care for those most in need, here in Northeast Ohio, but also to see that we are part of the greater community. His family, in honor of his brother, helped provide half of the funds for the Bourgeois Broadcasting Booth in the Jansky Learning Center, allowing our students to grow in their communication and broadcasting skills. They broadcast the morning announcements now Monday thru Thursday LIVE from the booth! These men have contributed so much to our parish's life; let's plan on attending to give thanks to them, **Friday, November 8, 6:30 p.m. La Vera Party Center.**

**Buy tables & Be on the Committee:** We are having a new feature this year to help our gala grow: buy a table for your family, organization and support of our school and our Green Knights. Secondly, we need your assistance in obtaining special auction items that we draw a special amount of funds. Please contact Kelly in our Advancement Office: [kelly@saintpaschal.com](mailto:kelly@saintpaschal.com) or extension 112. Thanks for helping our school and our Green Knights.

Let's continue to pray for each other – and thanks for all you do for SPB, being such a great steward of God's many blessings and gifts that you offer so well!

In Christ our Eucharist,

Reverend John Thomas Lane, SSS, '79

Our last gift, for the beautification of SPB was from the Olsin Family. Leave a wonderful legacy, helping our parish's financial future! We invest heavily in the parish's life due to your generosity, even after you have gone to your maker! Thanks for helping our parish build a savings account for our future
- Thank you for helping us have a thriving parish, through your offertory envelopes that support our staff, utilities, taxes, supplies and ministries!

We were able to widen, add a sidewalk and provide accessibility due to an emergency loan we were able to take for this project. For future financial stability, Bishop Perez wishes for us to build up and have a savings account for the future, not using bank loans, to be able to take on emergency projects in the future. Help us pay off our loans and then build up a "rainy day fund." Keep SPB in mind for your charitable trust, will or distribution and help build another great legacy for SPB!

## CLOWN AND HELPING HANDS MINISTRY

When initiating a project or starting something new it is often difficult to get started. There are many things to consider such as materials required, budgets, changes it may bring and often, even people it may affect in some way. I began reflecting about the beginning of our Helping Hands Ministry a few weeks ago, when I learned that one of our parishioners, Paul, passed away. He was an usher at the parish and a supporter of our Helping Hands Ministry. Paul, like so many generous parishioners, seemed to be there right when we needed something. When Bob Ukovic and I tried to figure out how to get the ministry off the ground, we knew that we needed some way to bring the donations of food and clothing to those in need. Along came Paul who donated an older truck to our cause. Well, you see how far we have grown since then, and it has all been through the kindness of people like Paul and you. I have learned throughout the years that God truly does provide what we need when we need it. I miss all of you very much and am so grateful for your cards, phone calls and visits. I am looking forward to seeing many of you on September 8. In the meantime, please always remember GOD IS GOOD ALL THE TIME. ALL THE TIME GOD IS GOOD.
