How do we know someone loves us? Is it through the sweet words they say to us, the grand promises they make? While these things can be part of the equation, we come to learn that love can only prove itself through deeds. We know someone loves us not when they say they love us, but when they show they love us—by prioritizing us, caring for us, and seeking our good, even when it might mean making a sacrifice.

If this applies to us determining if someone loves us, it can also help us reflect on whether we truly love others.

Do the things we say we believe about love, giving generously, and serving others lead to concrete deeds in our lives—the “good fruit” Christ talks about in today’s Gospel—or do they tend to not translate into action?

It can be difficult to tell! But the Lord gives us opportunities to put love into action each and every day—in our family, our workplace, and our wider community. As a parish, we actually have one of those opportunities before us today: the chance to contribute to our Archbishop’s Call to Share appeal. This is a concrete opportunity to not only give generously, but also to contribute to the “good fruit” that our diocese is producing today, sharing the love of the Lord with so many who desire to receive it. Ask the Lord to ask how he’s inviting you to put your love into action today.

Scan here to donate!

 CALL TO SHARE

St. Katharine Drexel

March 3

One of the first American-born saints. Born in Philadelphia in 1858, her mother passed away when she was only five weeks old. Her father, a renowned banker, remarried a wonderful woman, and together they raised St. Katherine Drexel and her two sisters in a life of privilege. Both financially and spiritually well-endowed, the Drexels were devout Catholics and set an excellent example of true Christian servitude with prayer and care for the poor.

After her father’s death, St. Katharine Drexel gave up her inheritance and instead devoted her life to the material and spiritual well-being of black and native Americans. Mother Drexel, as she would become known, established the Sisters of the Blessed Sacrament for Indians and Colored, and together they opened a boarding school in Santa Fe, the first of 50 missions for Native Americans in 16 states.

At 77, she suffered a heart attack and was forced to retire from active ministry. She spent the next 20 years of her life in quiet yet intense prayer. She died at the age of 96 and was canonized in 2000 by Pope John Paul II.

Lent

Lent is a 40 day season of prayer, fasting, and almsgiving that begins on Ash Wednesday and ends at sundown on Holy Thursday. It's a period of preparation to celebrate the Lord's Resurrection at Easter. During Lent, we seek the Lord in prayer by reading Sacred Scripture; we serve by giving alms; and we practice self-control through fasting. We are called not only to abstain from luxuries during Lent, but to a true inner conversion of heart as we seek to follow Christ's will more faithfully. We recall the waters of baptism in which we were also baptized into Christ's death, died to sin and evil, and began new life in Christ.

Ash Wednesday Mass Times

6:30 am | 8:30 am | 12:10 pm | 5:30 pm

Palms from last year may be left in the labeled baskets in the Narthex.

Please do not throw away old palms. Having been blessed, they are sacramentals and must be treated with dignity and disposed of reverently.

Little Black & Purple Books

The Little Black Book Six-minute meditations on the parables of Jesus are available in the narthex. The Little Purple Book in the narthex is for children.

SUPPORT THE CHURCH IN CENTRAL AND EASTERN EUROPE

RESTORE THE CHURCH BUILD THE FUTURE

I should no longer say that I have neighbors to help,
but that I must myself be a neighbor to others.

—Pope Francis, *Fratelli Tutti*, no. 81

In the past 30 years, Croatia has undergone significant change. The end of the communist system was followed by the breakup of the former Yugoslavia, of which Croatia was a part. Today, although Croatia is a member of the European Union, the country's economy still struggles with poverty levels close to 20%, and many young people who are educated have difficulty finding jobs. At the same time, new and vulnerable populations such as seniors, people with disabilities, homeless people, orphans, and refugees bring both material and social needs. The communist legacy in this region destroyed civil society and volunteerism, but young Catholics in Croatia, guided by the Church's social teaching, are being empowered to reengage and make a difference.

The 72 Hours Without Compromise project is organized by the Student Catholic Centre Palma and engages young Croats between the ages of

16 and 30, in ten cities and one municipality, by promoting volunteer service to those on the margins. Project participants come together from Thursday evening through Sunday morning; they richly experience the Church's mission by attending the opening and closing Masses of the weekend and learning and applying Catholic principles of solidarity in service to those in need. In the course of service projects, these young people also learn skills they can then use to secure employment.

Support from the Church in Central and Eastern Europe Collection has helped make 72 Hours Without Compromise a success, extending it beyond the capital city of Zagreb into cities and towns across the country. When you participate in the collection, you help young people such as these participants to put their faith into action, rebuild the fabric of society, and acquire valuable skills that improve their job opportunities.

More information about the collection and the projects it supports can be found at www.usccb.org/ceee.
