FROM THE PASTOR'S DESK

As your pastor, I am impressed by the love I see in the families of our parish communities and I pray to God that you may truly uphold the dignity of marriage and family life. It can be challenging, but the Church is here to help!

The United States Conference of Catholic Bishops (USCCB) and I wish to bring one particular issue to your attention. It's not easy to discuss, but it's important. That issue is pornography. In 2016, the USCCB released a pastoral response to pornography, called *Create in Me a Clean Heart*. The intention of writing this document was to:

- offer healing and hope to those who have been wounded by pornography;
- articulate the Catholic Church's response to the pastoral crisis brought about by the production and use of pornography; and
- raise awareness of its pervasiveness and harms.

Why? Because pornography is hurting many

people, including marriages and families, singles, priests and religious, and even children. It hurts the healthy process of vocational discernment for our young people. Pornography use impacts the relationships of children with their parents, husbands with their wives (and vice versa), and most importantly, our relationship with our Lord.

In the formal statement, the USCCB speaks directly to parents about being proactive regarding the issue of pornography with their families, to ensure the home keeps its status as a “safe haven” for all. The Bishops state, “The use of pornography by anyone in the home deprives the home of its role as a safe haven and has negative effects throughout a family’s life and across generations.”

Thus, today we are celebrating the first annual Safe Haven Sunday with the theme “Equipping the Family, Safeguarding Children.” This awareness effort is meant to draw our attention as a community to the seriousness of the issues of pornography and to recommit ourselves to take steps to ensure our homes are safe havens for all.

In the backs of the churches, I will have free resources to assist you in striving for healthy and holy marriages and families, including how to talk to your children about internet dangers. You can also begin learning about these issues by joining the “Equipped 7-Day Challenge: A Digital Crash Course” by texting SECURE TO 66866 to receive seven days of emailed video-based tips.

Support the faith of our soldiers: Next weekend a second collection will be taken up for the support of the Archdiocese for the Military Services (AMS). This collection is taken up across the country every three years to support that archdiocese, which is responsible for providing pastoral care to 1.8 million Catholics worldwide, including U.S. Soldiers, Sailors, Marines, Airmen, Coast Guardsmen, hospitalized veterans, and civilians serving the federal government beyond U.S. borders. Approximately 25% of the military is Catholic, but only 6% of military chaplains are Catholics. That means that currently there is one priest to serve approximately 1,800 Catholic service members on active-duty, not counting their families. Fewer than 500 ordained priests currently carry out the global ministry of the AMS on more than 220 military installations in 29 countries. If you want to support the work of AMS, place your donation in one of the envelopes specifically marked for this collection and drop it in next weekend's offertory. You may also donate online, if you prefer. See the envelope for details, or visit <https://www.milarch.org>.
