Did you miss the deadline to Register for Faith Development?

There are still options for your child's catechesis!

Due to limited volunteers, late registrations can only be accepted at a late registration event. Registration is not guaranteed, but we will do our best to accommodate your family.

Come on Sept. 13th or 17th to:

- Learn about your options
 - Some grade levels and programs still have space for youth, while others do not. Find out if there is space for your child in-person, or if you will need to consider home catechesis.
- Fill out registration forms

If you decide to register your child, you will need to fill out the registration forms and pay the faith development fees.

Consider volunteering

If more parents volunteer as catechists, we can accommodate more young people! Parents who volunteer as full-time catechists are guaranteed space in our program for their child.
