SERVICES OF RI

Dear CareBreaks Family:

We are so grateful for the outpouring of support from our community partner at the Rhode Island Office of Healthy Aging, as we work hard to respond to the spread of COVID-19.

We recognize in this time of uncertainty around coronavirus and influenza, that your health is top priority, and we wish to contribute to your wellbeing and safety.

The CareBreaks program will like to offer your household a bag of Personal Protective Equipment (PPE) supplies prepared with KN95 masks, hand sanitizers, gloves, disinfectant spray, disinfectant wipes and COVID-19 testing supplies for your personal needs.

If you are interested in receiving a PPE kit, please contact our office at 401-421-7833, to schedule your pick-up. *Bags will be distributed by appointments only.*

Sincerely,

The CareBreaks Program
