## in the Official 2024 Directory!

The **2024 Official Diocesan Directory** is a year-round reference tool used by the bishops, pastors, principals, executive directors, lay ministers, and other decision-making leaders in Catholic organizations throughout the state.

Reach decision-makers throughout Rhode Island's hundreds of Catholic churches, schools, ministries, healthcare institutions, diocesan offices, charities, and other organizations. The Diocese of Providence covers the entire State of Rhode Island and is **THE STATE'S 12<sup>TH</sup> LARGEST EMPLOYER** (Providence Business News, Book of Lists 2022). Hundreds of printed and spiral-bound copies are distributed each January to these leaders and others serving as a continual reference throughout the year.

Reserve a listing and full-color display ad in the industry or category of your choice within the newly added "Featured Businesses and Organizations" tab of the directory. Display ads include a two-year rate lock and a complimentary printed copy of the directory.
