

Full-Time Science Teacher

Father John V. Doyle School, located in Coventry, Rhode Island, is a vibrant PreK–8 Catholic school dedicated to academic excellence, faith formation, and the holistic development of the whole child.

The Mission of Father John V. Doyle School is to provide students with a solid, well-rounded education based on Roman Catholic Tradition. We live the Word of God in a caring, safe, and nurturing environment.

Position Overview

Full-time science teacher position, beginning with the 2025 academic year. The teacher will deliver engaging and standards-aligned instruction in:

- **5th-8th Grade Science and Science Enrichment STEM Classes**
- **Science/STEM After-School program 2x/week**

Key Responsibilities:

- Teach science curricula aligned to school, state, and Diocese of Providence standards.
- Teach life, earth, and physical science units with a strong emphasis on experimentation, inquiry, and real-world applications.
- Develop labs, hands-on projects, and STEM enrichment activities
- Differentiate instruction to support varied learning levels and provide targeted interventions
- Ensure that lessons in science reflect and uphold our Catholic values
- Promote the integration of faith through curricular content

Teacher Expectations:

- Create and maintain a positive, respectful, and nurturing classroom environment
- Use formative/summative assessments and data to guide differentiated instruction
- Manage classroom routines, transitions, and behavior effectively in alignment with school and Catholic tradition
- Work closely with faculty and staff to coordinate and align interdisciplinary programs
- Participate in faculty meetings, curriculum planning sessions, professional development, and retreats, school masses
- Communicate regularly with parents/guardians about student progress, behavior, and classroom happenings
- Assist in organizing and chaperoning school-wide initiatives (science fairs, field days, Catholic Schools Week)
- Support after-school clubs (STEM Club)
- Maintain a visible leadership role in the school community through assemblies, liturgies, or service events

Qualifications

Required:

- Bachelor's degree in Middle School Science, Science Education, or related field in science
- Valid Rhode Island Teacher Certification in Science or eligibility to obtain it
- Classroom experience with middle and elementary school students
- Strong organizational, communication, and interpersonal skills
- Commitment to integrating Catholic values with teaching practices and embracing the school's mission
- Practicing Catholic in good standing with the church or supportive of faith-based education and able to teach, embrace, and live Catholic Social Teachings.

Employment & Compensation

- **Status:** Full-time faculty, approx. 37–40 hours/week, exclusive of supplementary duties
 - We are exploring a potential differentiated start and end time to accommodate the after-school programs 2x/week
- **Schedule:** Traditional 10-month school-year calendar
- **Compensation:** Competitive salary based on education and experience; benefits include health insurance, retirement contributions, and professional development support

How to Apply

1. A letter of interest highlighting your science teaching experience and your embrace of the Catholic educational mission
2. A current resume/CV
3. Copies of RI certification(s), if available
4. References (minimum of 3)
