

# MEET THE HSA!

Bishop McVinney School Home & School Association

## About HSA

The Home & School Association is the heartbeat of our school community—a parent-led organization working hand-in-hand with school leadership to enrich the experience of every student and family. It's where creativity meets purpose, and where your ideas can help shape the spirit of our school.

## What We Do

Plan exciting fundraisers that support school initiatives and student programs

Foster a welcoming environment where parents can get involved, share talents, and make a difference

Organize fun, family-friendly events that build lasting memories and strengthen our community

Volunteer any time of the year to read in classrooms, chaperone trips, plan events, and much more!

## Meet the Officers and learn how to join!
