# Open Wide Our Hearts

## Six Ways to Work for Racial Justice

*Racism is evil because it attacks the inherent dignity of the human person.  
Our faith calls us to personal conversion and to transformation of our society.*

USCCB, 2020

1

### EXAMINE YOUR OWN BIASES

Think about where your biases originated. What messages did you receive as a child about people who are different from you? Where did you live and attend school and church? Pray for the wisdom to recognize and confront your own prejudices.

2

### LISTEN AND LEARN

Listen to the stories of people of color. Courageously discuss oppression and discrimination. Educate yourself through watching documentaries or reading books. Study the US Bishop's statements on racism at [usccb.org](https://www.usccb.org) or check out <https://www.olpls.org/racism-and-the-church>

3

### CALL OUT RACIST STATEMENTS

When you hear racist statements or "jokes," let people know it's not okay. You don't have to be confrontational - ask questions, and engage in conversation.

4

### SEE EACH PERSON AS A REFLECTION OF GOD

All humans are made in the image and likeness of God. What do the details and qualities of individuals teach us about God?

5

### PRACTICE EMPATHY

Think about the feelings and experiences of others. Share your experiences and invite them to share with you. When we create connections with others, it motivates us to care about their well-being.

6

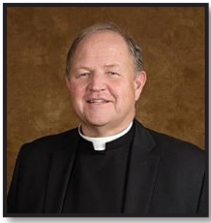

### PRAY FOR JUSTICE

Pray for an open heart for yourself and others. Pray for the courage to choose love over fear, healing over hurt.

# Thoughts from Fr. Tom

In the Gospel today, Jesus refers to his disciples in two important ways: **You are the salt of the earth** and **you are the light of the world**. Salt enhances the flavor of the food it touches and light is necessary to help us see our way, especially through the darkness. What wonderful images for those who follow Christ. We are to enhance the lives of those we serve and we are called to be the light of Christ for others. When we refer to someone as being a salt of the earth person, we usually mean that the person is filled with goodness and grounded in what is important. When we use the image of light to describe someone, it is usually a positive reference to the way that person makes a difference in the lives of others. As we continue our theme of **Just Disciple** this year, those are great images to keep before us as we strive to be disciples of Jesus by sharing his light and goodness with others.

This weekend we will offer the **Blessing of Throats** after all the Masses in honor of the Feast of St. Blaise. His actual Feast day was on Friday. As we ask for his intercession, we also trust in the healing God brings to our lives.

This time of year we are especially blessed by the presence of many children, youth, and adults who are preparing to receive important Sacraments of Initiation in our Catholic faith. We have about **120 children preparing for their First Eucharist** in April and May. In the coming weeks, they will be gathering with their parents for retreats and learning experiences. We have about **60 teens preparing for the Sacrament of Confirmation** in April. They are currently gathering for their formation sessions and will have a retreat next month. We also have about **20 individuals participating in the Rite of Christian Initiation of Adults** and preparing to be received into the Catholic faith at Easter. They have begun gathering on Sunday for their formation classes. On February 25 they will celebrate the Rite of Sending in the parish and then go to the Cathedral to join with hundreds of others from around our diocese to celebrate the Rite of Election. Please keep in your prayers all of those involved in sacramental preparation in our parish. They are a wonderful witness for all of us and a constant reminder of God's presence in the sacraments.

Next weekend we observe **World Marriage Sunday** in the Catholic Church. In connection with this, we will once again offer a special blessing and **renewal of marriage vows** for all married couples after the 4:30 p.m. Mass next Saturday, February 11. We invite you to stay after Mass and move to the front of church after the Closing song. This only takes a few minutes, but is a great way for married couples to strengthen their commitment to the sacrament of marriage. We will also offer a blessing of married couples at the Sunday Masses.

**Many Blessings!**

## Introducing Michael Nations, Director of Youth & Young Adult Ministry!

I have enjoyed walking with Youth and Young Adults into a deeper faith through my past years! God has given me a burden to see every teen seek Christ, be an equipped Disciple, and engage in discipleship.

I have been serving in youth ministry since 2007. God has given me the privilege of being married to my wife, Sharon for 19 years. Sharon and I got married in 2003 and we have two children, Lydia and Adelaide. God has been so good to our family and He continues to do so.

In 2007, I started as the Director of Youth Ministry at Sacred Heart Catholic Church in Warrensburg, MO. Energized by helping them until 2014 when I felt called by God to become the Director of Youth Ministry for the Diocese. After almost 10 years, God called me again to help Coronation of Our Lady in Grandview as the Pastoral Associate. The excitement of leading Youth and Young Adults was calling me once again and God has provided the location for His ministry to be done. I know that this is where God wants me to be. One thing that is clear throughout the Bible, there is no better place to be than in the middle of God's will.

I am excited about the future God has for OLP!

## Sal de la tierra y luz del mundo

La sal es el cloruro de sodio que se utiliza para dar sabor y conservar los alimentos. La sal es uno de los elementos de la canasta básica mas baratos que cualquier persona puede comprar y pareciera que no es de mucha importancia en la gastronomía de una región o un país, pero cuando a un alimento le falta sal cualquier persona requiere su delicioso sabor salado.

La sal de la tierra, seguramente nosotros los católicos no somos y no estamos llamados a ser las personas mas importantes en este planeta, pero todos los bautizados estamos llamados a ser humildes y darle sabor a nuestra existencia. El sabor a nuestra existencia se le aplica con creer, enseñar y predicar que tenemos la promesa de una vida nueva. Nuestros cuerpos son terrenales por lo tanto temporales, pero poseemos un alma inmortal que trasciende esta existencia terrenal temporal para habitar en la casa de Dios. Aplicarle sal a nuestra existencia significa, orar, creer, ser feliz y ayudar a los demás a ser felices en la casa de Dios.

La luz es una forma de energía que ilumina y hace visibles las cosas, esta iluminación se propaga mediante partículas llamadas fotones. La energía que ilumina y hace visibles las cosas, la palabra de Dios es la energía que nos saca de la oscuridad y nos transporta a la claridad de su voluntad. Si conocemos esta energía la biblia palabra de Dios y la aplicamos a nuestra vida nosotros nos convertimos como esos fotones que transportan la claridad de Dios.

La invitación es clara que debemos conocer la luz, estar conectados a la fuente de la luz, y transmitirla a los demás por medio de nuestras palabras y acciones en nuestra vida cotidiana. Ser luz significa dar testimonio de lo que creemos y ser agentes de esperanza especialmente para los que no creen y no esperan la vida nueva.

**Padre Angel**
